

EVENT

Online Seminar

Wednesday

April 27th

2022

Microbial community dynamics involved in methylmercury production in peatlands

Speaker

Spencer Roth, Ph.D.
Postdoctoral Associate
Bioscience division, Oak Ridge National Laboratory

Time

14:00 - 15:00 UTC time / 10AM Eastern time
Wednesday, April 27th, 2022

Entry

We'll provide the link shortly.
