2. Register new account (if student does not have an account).
3. Login to A*STAR Scholarship Portal.
4. Go to: **Apply Scholarships**.
5. Apply for respective scholarship (**A*STAR Graduate Scholarship** or **Singapore International Graduate Award**).
6. Follow the instructions and fill in required information carefully.

Please note that in order to apply for “**SIMTech-NTU Joint Laboratory on Complex Systems PhD Programme**”, follow the instructions below.

7. Go to **Research** section.
8. Choose **Thematic Program** in Institution.

The screenshot displays the A*STAR Scholarship Application Portal interface. At the top, the Agency for Science, Technology and Research (A*STAR) logo is visible. The main navigation bar includes tabs for 'Instructions', 'Personal Info', 'Education Details', 'Education (Others)', 'Languages / Awards / CCA', 'Career', 'Education Plans', and 'Research', with 'Research' circled in red. Below the navigation, the 'Scholarship Title' is set to 'Singapore International Graduate Award (SINGA)'. A legend indicates that fields with an asterisk are mandatory. The 'PROPOSED SUPERVISOR & PROJECT (SINGA)' section contains instructions and a table for listing up to 3 proposed supervisors and research projects. The '1st Choice' entry is shown, with the 'Institution' dropdown menu open, highlighting 'Thematic Program'. Other fields include 'Supervisor's Name', 'Project Title', and 'Project Description'. An 'ADD ENTRY' button is located at the bottom of the table.

9. Choose **SIMTech-NTU Complex Systems Joint Lab** in Thematic Program.
