

Glastonbury Wi-Fi

What's all the fuss about?

*You are invited to attend a Public meeting with
Barrie Trower*

Scientific advisor to the Radiation Research Trust

Why has the German Government advised people not to use Wi-fi even at home?

Why are our government safety guidelines thought to be inadequate by many leading scientists?

Why are we asking Somerset County Council to adopt the 'Precautionary Principle' and turn the Wi-fi system off?

Your chance to ask questions.

Friday June 20th

At: St Edmunds Hall, Windmill Hill.

7.30pm By donation

More Info: Jane Sanders 01458 833382
