**Join us for a big neighborhood cleanup of our Cooper Creek!**

Bring your boots, tools & muscle & lend a hand. It's that time of year again and **we need help** to prevent neighborhood flooding and keep our stream clean of brush and debris. We'll supply gloves, trash bags, vests, snacks and drinks for all. Tools like loppers, hand saws and wheel barrows are welcomed. We will haul all debris to the street for pickup. All help will make a difference!

*You can always help by never throwing or piling brush, grass clippings or debris in or near the creek. It's not only harmful to our neighbors by blocking the creek flow and causing flooding of many people's homes, it also harms all the wildlife that lives in the creek area by lowering oxygen levels in the water.*
