OFFICE OF HOMELAND SECURITY AND PREPAREDNESS

Threat and Hazard Identification and Risk Assessment and Stakeholder Preparedness Review (MGT-310)

The New Jersey Office of Homeland Security and Preparedness will sponsor a two-day training course titled, “Threat and Hazard Identification and Risk Assessment and Stakeholder Preparedness Review” (MGT-310). The Texas Engineering Extension Service (TEEX), a member of the National Domestic Preparedness Consortium, will deliver the course. There is **no-cost** to attend this course.

Description

This course introduces the six-step THIRA/SPR process which includes identifying threats and hazards that stress a community’s capabilities, giving context to those threats and hazards and identifying associated impacts consistent with specific factors, identifying community-specific capability targets, assessing current levels of capability in comparison to those targets, identifying capability gaps and subsequent strategies to close those gaps. Individuals completing this course in combination with MGT315, MGT414, and AWR213, are awarded the [TEEX Infrastructure Protection Certificate](#).

Audience

Law Enforcement; Fire Service; Public Safety Communications; Hazardous Material Personnel; Emergency Medical Services; Emergency Management; Health Care; Public Health; Public Works; Elected Officials; Governmental Administrative
