

Course: L0449/MGT906- Virtual Information Session for ICS Curricula TTT

Location: Virtual

Date: June 28th, 2022

Time: 10:30 AM – 11:00 AM

Description:

NJOEM Training & Exercise Unit will be conducting a virtual information session for the upcoming ICS Curricula Train-the-Trainer course. The purpose of this session is to provide detailed information on the prerequisites as well as familiarize the candidates with the selection process. Furthermore, additional course information will be discussed such as course expectations, objectives, and training materials (i.e. devices). This session also serves as an opportunity to address any questions that the candidates might have. The Virtual Session is not required to be accepted into the class, but will help the candidates submit the best application.

Target Audience:

Potential candidates for the ICS Curricula Train-the-Trainer (L0449/MGT906).

Registration:

Please register by filling out the NJOEM Training Registration (click on "Registration") from our website. A Microsoft Teams invitation will be send to those individuals on June 27th, 2022.

Deadline:

Contact NJOEM Training & Exercise Unit for any questions: fieldtrainingunit@njsp.org
