This book has both heat (mouthwatering, face fanning sex scenes) and meat (a sophisticated plot line). The Atlanta scenery is well painted and authentic. The characters are well developed and believable. If I could have given six stars I would. This is an awesome summertime read that elevates the genre. Germaine Solomon is an uncommon talent.1 of 1 people found the following review helpful. Highly recommended!By Kindle CustomerThis is my first time reading Ms. Germaine Solomon material and I can actually say she did an outstanding job. I was very entertained when Eli carried Radiance over his shoulder I may add out the club she worked at. The man claiming his woman. He is truly the alpha the author visualized in the story. I would have never thought Eli had a complicated situation on his hands ending with Pandora. A very selfish individual that even with a child could be so unfeeling. In the end, Eli and Radiance persevered throughout their dilemma with a beautiful ending.1 of 1 people found the following review helpful. PamperedBy LL BrownREVIEW:This was my first time reading this author work. Eli Jamieson is a multimillionaire and as a favor to a friend is part time professor. As a professor Eli notice Radiance (Ray-as her friend calls her) is one of his students. Ray is a single mother trying to make ends meet by taking care of her son. Ray also works at one of Atlanta hottest gentlemen's club. You could feel the attraction between Eli Ray jumping off the pages. Eli friend is getting married and the guys decided to this gentlemen club and long a behold it the same club Ray works at, but on this particular night she as ask to fill in for one of the ladies (who dances). As Eli was sitting there enjoying his dancer he notices the tattoo on her and right off the bat he know that it is Ray. Eli literally pick her up and take her out of the clubhellip;this is the beginning.From the moment he takes Ray out of the club he first he ask her why is she working in that club because in his mind she should be pampered, and not working in a club like that. Ray

also informs him that she usually does not dance. From that moment on he makes his mission to make sure Ray and her son is taking care of. Eli is head strong and very persistent and as the relationship with Ray develops of course their exrsquo;s pop up.SmoochesLL Brown

In the blink of an eye, Radiance Alexander is literally picked up and carried away, kicking and screaming from her job at a popular Atlanta gentlemen's club after an interrupted dance performance. Sexy multimillionaire, Eli Jamieson, prefers that she live on the lap of luxury instead of on the laps of strange and horny men. But what began as a goodwill gesture soon evolves into the most flammable romance under the heavens. Lust, love, and passion quickly consume Eli and the young woman who makes him feel born again. In fact, they're so caught up in the rapture that Eli ignores the fact that a woman from his past still has a loose hold on him, and Radiance fails to prepare for the day of reckoning that she knew would eventually come. Both are forced to deal with persistent outside forces that threaten to tear them apart, but deal with them they must. They overcome every obstacle they face, intensifying the bonding of their souls. But when tragedy strikes, will Radiance's love and faith be enough to cover Eli and give him the will to fight and live? Or will their happiness together be snatched away by death? Pampered, the interracial romantic saga packed with so much heat, that it should require a warning label. Dramatic, fast-paced, erotic, and full of insane twists, this amazing love story is guaranteed to captivate the hearts of BWWM fans and women abroad who go crazy over alpha males.

Pampered is a must read for all IR BWWM alpha male fans. It is a great love story with boss characters, super hot love scenes, crazy twists, and lots of drama. Eli and Radiance have explosive chemistry. He loves that woman, and she adores him. They are perfect together in every way.Pandora and Satchelnbsp;were two pains in the @\$\$\$.
