[Love Lives, Josie Lloyd, Emlyn Rees, Lloyd & Rees](#) , 2004, 009941483X, 9780099414834. Two men. Two women. And every emotion you've ever felt... In 1871 Appleforth House was burned to the ground. Now, over a hundred years later, the house is being rebuilt - and so the lives of four very different people converge. Ned, a successful architect, is obsessed with restoring the house to its former glory. Focussed and determined - and bruised by a past relationship - he's not looking for distractions. But then Ellen, a documentary-maker, arrives to make a film about one of the local landmarks, leaving her boyfriend and some tough decisions temporarily behind her. But as pieces of the past start to fall into place, the restoration also brings together Jimmy and Verity, two local teenagers: one falling in love for the first time, the other an incurable romantic, determined to find her fairy-tale hero. And as their hopes and fears come together they all learn some surprising lessons about finding love in the most unlikely places ...

[F1: Get the Most Out of Excel Formulas & Functions, Joseph Rubin](#) , 2005, 0974636851, 9780974636856. With more than 300 solutions to the time-consuming problem of combining Microsoft Excel functions into effective, problem-solving formulas, this handbook addresses questions that are regularly posted to Excel newsgroupstotopics of the most interest to Excel users. Questions and answers provide a title, problem, solution, explanation, and screenshot, and include many of the complex formulas and their several nested functions. Formulas for wages, shifts, time sheets, income taxes, financial calculations, amortization tables, counting, and handling errors are demonstrated, and the accompanying CD-ROM contains Excel workbook files that incorporate all the formulas presented in the book. Each question and answer includes a hyperlink that allows interested readers to visit the author's website to discuss problems and proposed solutions.

[On Kawara: Date Painting\(s\) in New York and 136 Other Cities, Tommy Simoens, Angela Choon, Edgar D. Mitchell, Lei Yamabe](#) , 2012, 9461300158, 9789461300157. The Japanese conceptual artist On Kawara (born 1933) has nurtured a fascination with counting and time for more than 40 years now, most famously through the ongoing execution of his famous "date paintings" of the Today series: a daily ritual to conclude only on the day of his death. The first painting in the series was executed in New York on January 4, 1966; since then, On Kawara has carried out the procedure at regular intervals in cities throughout the world, painting each day, month and year in a white sans-serif script against a monochrome background in the language conventions of the country he is in. When not displayed, each painting is stored in a box and accompanied by a local newspaper clipping of the day. Despite numerous solo exhibitions worldwide, *Date Painting(s) in New York and 136 Other Cities* is the first retrospective of the 45 years of On Kawara's date paintings. Including over 180 date paintings, the book is divided into two parts: one that covers the complete series of paintings done in New York, and a second that focuses on the series of works done in different locales throughout the world. The result offers a unique insight into the role that place and a life of travel has played in a body of work that has been defined by time and chronology.

[Julia Scher: Always There, Julia Scher, Caroline Schneider, Brian Wallis](#) , 2002, 0971119376, 9780971119376. "Always There, is the long awaited survey on the American artist Julia Scher. This timely work is a poignant reflection on contemporary cultures' obsession with surveillance and how it is rapidly invading our lives. The artist's installations and performances have always featured a complex relation to techno-social control, demonstrating our complicity in the proliferating technologies used to secretly investigate both our physical and virtual identities. The featured texts discuss how in the aftermath of 9-11, issues of surveillance, data harvesting and scopophilia have acquired a new meaning. Accompanying essays by Bill Horrigan, Andrew Hultkrans, Giovanni Intra, and others."

[Noche Buena : Hispanic American Christmas Stories: Hispanic American Christmas Stories, Nicolas Kanellos Brown Professor of Spanish University of Houston](#) , 2000, 0198030932, 9780198030935. A family seated round the fireplace Singing and making merry; A sprightly waltz played with grace Noche Buena brings us all the magic of the Christmas season as seen through the eyes of the Hispanic Americans who celebrate it. Christmas is at times a universal story, and

many of the images here are recognizable across cultures. We hear and see proud, joyful singing; the adoration of the Infant Jesus; and the peaceful strains of Adeste Fidelis. But here as well are the rich traditions and legends specific to the Hispanic culture, such as the celebration of the posadas for nine nights leading up to Christmas, with candy raining down from colorful swinging pinatas, egg shells filled with confetti, and beautiful paper lanterns crafted to illuminate the town on Christmas Eve. There is the "Legend of the Poinsettia" where a poor child embarrassed by the modesty of his gift for the Christ Child sheds tears on the dull green leaves of the familiar plant, thereby miraculously transforming them to a brilliant red. And here too are hopeful children singing "If You Give Me Meat Pies," asking for the reward of warm meat pies and rice pudding in return for their sweet caroling. Thirty-six inspiring literary selections comprise this enchanting collection of works from Mexican, Colombian, Cuban, and Puerto Rican writers--writers who represent the range of Hispanic minority groups in the United States. Through these stories, traditional tales, songs, and poetry, readers gain a true understanding of the importance of the Christmas holiday within the Hispanic community, and begin to grasp the issues that inform the Hispanic American creative process--issues such as communal identity, patriotism, poverty, assimilation, and religion. With vivid illustrations and original Spanish text for all poetry, this fascinating anthology will inform readers of all cultural backgrounds, and give them the opportunity to celebrate this cherished time with a newly extended family.

[The Culture Cycle: How to Shape the Unseen Force That Transforms Performance, James Heskett](#) , 2012, 0132779781, 9780132779784. The contribution of culture to organizational performance is substantial and quantifiable. In The Culture

Cycle, renowned thought leader James Heskett demonstrates how an effective culture can account for 20-30% of the differential in performance compared with "culturally unremarkable" competitors. Drawing on decades of field research and dozens of case studies, Heskett introduces a powerful conceptual framework for managing culture, and shows it at work in a real-world setting. Heskett's "culture cycle" identifies cause-and-effect relationships that are crucial to shaping effective cultures, and demonstrates how to calculate culture's economic value through "Four Rs": referrals, retention, returns to labor, and relationships. This book: Explains how culture evolves, can be shaped and sustained, and serve as the organization's "internal brand." Shows how culture can promote innovation and survival in tough times. Guides leaders in linking culture to strategy and managing forces that challenge it. Shows how to credibly quantify culture's impact on performance, productivity, and profits. Clarifies culture's unique role in mission-driven organizations. A follow-up to the classic *Corporate Culture and Performance* (authored by Heskett and John Kotter), this is the next indispensable book on organizational culture. "Heskett (emer., Harvard Business School) provides an exhaustive examination of corporate policies, practices, and behaviors in organizations." Summing Up: Recommended. Reprinted with permission from CHOICE, copyright by the American Library Association.

[Indigenous Experience Today, ISSN 1475-536X, Marisol de la Cadena, Orin Starn](#) , 2007, 1845205189, 9781845205188.

A century ago, the idea of indigenous people as an active force in the contemporary world was unthinkable. It was assumed that native societies everywhere would be swept away by the forward march of the West and its own peculiar brand of progress and civilization. Nothing could be further from the truth. Indigenous social movements wield new power, and groups as diverse as Australian Aborigines, Ecuadorian Quichuas, and New Zealand Maoris, have found their own distinctive and assertive ways of living in the present world. *Indigenous Experience Today* draws together essays by prominent scholars in anthropology and other fields examining the varied face of indigenous politics in Bolivia, Botswana, Canada, Chile, China, Indonesia, and the United States, amongst others. The study challenges the accepted notions of indigeneity and the often contentious issue of indigenous rights. *Indigenous Experience Today* demonstrates the transnational dynamics of contemporary indigenous culture and politics around the world.

[MODERN DIGITAL SIGNAL PROCESSING: INCLUDES SIGNALS AND SYSTEMS MATLAB PROGRAMS, DSP ARCHITECTURE](#)

[WITH ASSEMBLY AND C PROGRAMS, V. UDAYASHANKARA](#) , 2012, 8120345673, 9788120345676. Intended as a text for three courses Signals and Systems, Digital Signal Processing (DSP), and DSP Architecture this comprehensive book, now in its Second Edition, continues to provide a thorough understanding of digital signal processing, beginning from the fundamentals to the implementation of algorithms on a digital signal processor. This Edition includes a new chapter on Continuous Time Signals and Systems, and many Assembly and C programs, which are useful to conduct a laboratory course in Digital Signal Processing. Besides, many existing chapters are modified substantially to widen the coverage of the book. Primarily designed for undergraduate students of Electronics and Communication Engineering, Electronics and Instrumentation Engineering, Electrical and Electronics Engineering, Instrumentation and Control Engineering, Computer Science and Engineering, and Information Technology, this text will also be useful as a supplementary text for advanced digital signal processing and real time digital signal processing courses of Postgraduate programmes. KEY FEATURES : Provides a large number of worked-out examples to strengthen the grasp of the concepts of digital signal processing. Explains the architecture, addressing modes and instructions of TMS 320C54XX fixed point DSP with assembly language and C programs. Includes MATLAB programs and exercises throughout the book. Offers review questions and multiple choice questions at the end of each chapter to help students test their understanding about the fundamentals of the subject. Contains MATLAB commands in Appendix.

[Strategic Communication: Principles and Practice, James Mahoney](#) , 2012, 0195576896, 9780195576894. Strategic Communication: Principles and Practice deals with the principles behind strategic communication planning and the professional practice involved in researching, writing and implementing a communication strategy. The framework followed here can be used for planning specific strategies for a range of specialisations including corporate communication; community relations; financial and investor relations; government relations and lobbying; internal communication; marketing communication and public relations. The book is grounded in the concept that strategic communication goes beyond the immediate bottom-line profit aims of integrated marketing communication, to deal with longer term issues. The book explores this idea through a framework that suggests communication strategy should be linked to the way in which organisations' plan their business activities in three time 'horizons': what they need to do now, in the mid-term, and in the long-term. This approach links communication strategy to how organisations deal with issues. It does not ignore the need for integrated communication, but it does suggest that how organisations deal with public policy issues influences their market-related communication. Working out how issues influence organisational communication involves strategic thinking and analysis.

SecretsOrphaned fifteen-year-old Judith Sparrow brings two secrets to her uncle's house in South Carolina: one, that her grief-stricken mother died in a madhouse, the other that she has disobeyed the only condition to living in her uncle's home -- nothing green is allowed in the house. Judith can't bear to part with the photograph of her mother in its lovely green silk frame. Surely this one small defiance will not jeopardize the happiness she finds in South Carolina -- with a family at last, and new friends, especially Zeke Carey, the miller's son. But Uncle Geoffrey's house holds a secret of its own. And Judith's small picture frame, hidden away at the bottom of her trunk, unleashes a powerful force that seems determined to bring that secret into the open. Or is Judith simply following her mother down the path toward madness?

This is a book Beca Mark wished she could have found when hopelessly struggling with depression and anxiety after having her first child. She takes you on a heartfelt journey and shares how healing only came when combining a daily Prozac prescription with a commitment to be her best self. By sharing faith-based, personal details about her life, she hopes to soften the cultural stigma surrounding mental illness, shedding a more positive light on these issues.

[House of Sighs, Aaron Dries](#) , 2012, 1609287398, 9781609287399. A busload of captives on an express ride to terror! It's the summer of 1995, and the passengers of the Sunday bus into town have realized that something is very, very wrong with their driver. They don't know that she began her day planning to kill herself. But they know that she's threatening to

kill them. They began the ride as her passengers, but now they're her captives. She's already shown she won't hesitate to use that gun in her hand, and no one wants to be the next to die. They have no idea where she's taking them, who will be left alive when they get there, or what's in store for the survivors. With a madwoman at the wheel, the bus has gone far off its route, deep into insanity. And for most of the passengers, the next stop will be their last.

[Existentialism: a beginner's guide, Thomas E. Wartenberg](#) , 2008, 1851685936, 9781851685936. Existentialism pervades modern culture, yet if you ask most people what it means, they won't be able to tell you. In this lively and topical introduction, Wartenberg reveals a vibrant mode of philosophical inquiry that addresses concerns at the heart of the existence of every human being. Wartenberg uses classic films, novels, and plays to present the ideas of now-legendary Existentialist thinkers from Nietzsche and Camus to Sartre and Heidegger and to explore central concepts, including Freedom, Anxiety, and the Absurd. Special attention is paid to the views of Simone de Beauvoir and Franz Fanon, who use the theories of Existentialism to address gender and colonial oppression.

[The Wollemi Pine: The Incredible Discovery of a Living Fossil From the Age of the Dinosaurs, James Woodford](#) , 2012, 1921834897, 9781921834899. An enthralling detective story about evolution and natural history. In mid-1994 a National Parks & Wildlife ranger abseiling in the Wollemi Wilderness outside Sydney, came upon an extraordinary sight: a canyon filled with massive pines. These trees towered above the surrounding foliage, with fern-like leaves and peculiar lumpy bark. What he accidentally discovered that day has become one of the century's most important botanical finds. The ancient pines were thought to have become extinct millions of years ago. The Director of Sydney's Royal Botanic Gardens described the discovery as 'the equivalent of finding a small dinosaur still alive on Earth'. This edition of The Wollemi Pine features a new chapter which examines the progress of the pine's reintroduction into civilisation, and some of the challenges and issues involved in its commercial propagation. James Woodford is a science and environment writer for the Sydney Morning Herald. In 1996 he won the Eureka Prize for environmental journalism, and was awarded the

prestigious Michael Daley prize for science journalism in 1996 and 1997. His hugely entertaining book on wombats, *The Secret Life of Wombats*, won the Royal Zoological Society of NSW Whitley Award for Best Natural History Book. He lives with his family on the south coast of NSW. textpublishing.com.au 'An engrossing read for expert and layperson alike.' Australian Geographic 'A riveting discovery story.' Sun-Herald 'A fascinating tale of high adventure and mystery, of rivalries and jealousies, of legal and political twists and turns. A scientific thriller.' Advertiser 'it would be hard to go wrong with such a ripping yarn.' Meanjin

[Introduction to qualitative research methods: a guidebook and resource, Steven J. Taylor, Robert Bogdan](#) , 1998, 0471168688, 9780471168683. Over the two decades since the publication of the first edition of *Introduction to Qualitative Research Methods*, qualitative research has risen from a novel and controversial approach to the study of social issues to a widely practiced method for understanding how people view themselves and the world around them. New journals, university courses, handbooks, and encyclopedias are now devoted to the study and practice of qualitative research, but there is still only one comprehensive, practical guide to the collection and presentation of qualitative data.

Introduction to Qualitative Research Methods, Third Edition is a completely up-to-date guide to qualitative study design, data collection, analysis, and reporting. The first part of the book surveys a range of methods for collecting qualitative data, focusing on how these techniques are applied when conducting an actual study. Separate chapters are devoted to participant observation (both pre-fieldwork and in the field), in-depth interviewing, creative new approaches such as postmodern ethnography and personal document analysis, and data analysis. The second half of the book, which covers the writing and publication of qualitative studies, clearly demonstrates how qualitative methods are used in actual practice. Comprehensive and jargon-free, Introduction to Qualitative Research Methods, Third Edition: Reviews current theoretical developments in feminist research and postmodernism Includes examples of studies conducted in educational, human services, disability services, and health care settings Surveys the full range of qualitative methods and reviews the research process from design through data collection, analysis, and writing Provides an extensive bibliography and an appendix containing participant observation field notes. Comprehensive, practical, and brimming with new material, Introduction to Qualitative Research Methods, Third Edition is an ideal text for graduate and upper-level undergraduate courses across a broad range of social science disciplines. It is also an excellent guidebook and resource for practicing social scientists. Praise for Introduction to Qualitative Research Methods: A Guidebook and Resource Third Edition. "This book has long been my favorite text in qualitative methods. With a bit of theory, a lot of practical advice, and some wonderful examples of field notes and published research, the authors educate beginners in qualitative research and provide a useful reference for experienced researchers. This Third Edition adds clear and straightforward coverage of new developments in the field, including feminism, postmodernism, and the recent emphasis on writing issues in qualitative research." Marjorie L. DeVault, Ph.D. Associate Professor of Sociology Syracuse University. "A valuable resource. Once again, Steven Taylor and Robert Bogdan have made an important contribution to the literature on qualitative research. The book is written with the same insight, clarity, and commitment to reaching their readers that has characterized their earlier collaborations." J. David Smith, Ed.D. Dean of the School of Education and Human Services Longwood College. "Taylor and Bogdan's updating of their classic text will be incredibly valuable to students. It is a great choice for qualitative methods courses in the social sciences." David Goode, Ph.D. Professor of Sociology and Coordinator Program in Developmental Disabilities College of Staten Island/CUNY Author of A World Without Words 1995 winner of the John Horton Cooley Award. "The broad spectrum of methodological possibilities, the discussion of the history of methods, and the many instructive examples make this exciting new edition an excellent text for the beginning qualitative methodologist." Carol Rambo Ronai, Ph.D. Professor of Sociology University of Memphis. "An engaging, highly readable, and instructive guide to established and emerging methodological conventions. This impressively straightforward and balanced guide is also the most comprehensive and usable resource for publishing qualitative research that I have seen." Tom Skrtic, Ph.D. Professor of Special Education University of Kansas.

[Gnostic Writings on the Soul: Annotated & Explained](#), , 2007, 1594732205, 9781594732201. The inspiration and insight of these Gnostic writings can become a companion on your own spiritual journey. Just what is a soul, exactly? Where did the idea come from? How do we experience our souls? Two ancient Gnostic texts "The Exegesis on the Soul "and "The Hymn of the Pearl, " both presented here in all-new translations hold important clues to the development of the soul as a concept and reveal inspiring ways your own soul can remember and return to its unique, divine purpose. "The Exegesis on the Soul" depicts the soul as a feminine figure who has fallen into the corrupted world and must find her way back to the Divine. It is the story of the soul s struggle and redemption that will embolden your own spiritual pilgrimage. "The Hymn of the Pearl" is an allegorical story about a prince sent to retrieve a precious pearl but who soon forgets his purpose and falls asleep. It is a moving tale of the importance of remembering your soul s identity and calling and knowing that only you can fulfill your destiny. Accessible facing-page commentary explains the Gnostic writings for you even if you have no previous knowledge of Gnosticism or early Christianity. Additional material draws on ancient religions, Platonism, Christianity, Judaism, Islam and modern philosophical and psychological notions of the soul to place the Gnostic teachings in a clear historical context. By following the development of this concept through time, you will more clearly perceive and respond to the divine spark found in your own soul.

[Suburbilicious: Vignettes from Jasper Lane, Eric Arvin](#) , 2009, 1615810439, 9781615810437. Take another turn down Jasper Lane, the well-off neighborhood where gay porn parties, fresh cheesecake, and friendly busybodies welcome newcomers while a dog named Gayhound helps with the landscaping. Cassie Bloom is thrilled her son Jason is home, but she's worried about the secrets buried around the house, especially when a scary-looking stranger starts spying on her! Rick and James are basking in the blush of love-or is it the flush of jealousy as Rick's rugby teammate starts hanging around?-and the flamboyantly gay Terrence is off bonding with his newly discovered son, Christian. Melinda, divorced from her stuffy husband, is looking to dip her toe in the dating pool, but she's got one problem: her potential date's embarrassing last name. Steve and Sandy Jones are now proud parents, but Sandy's got to find something to do with herself, and running for office in the Gay Porn Wives Club may be just the ticket. And remember, it's a do-unto-others mentality on Jasper Lane, so when lesbian couple Asha and Keiko move in and Sandy helps Keiko get a directing job at Steve's gay porn film company, it's par for the course!

[A Country Divided: Images of America's Warring Sons, Matt Bollinger](#) , 2004, 0975326902, 9780975326909. 8 1/2 x 11" soft cover, perfect bound. 112 full color photographs of American Civil War soldiers and descriptions of each photo.

[Sir Ben and the Dragon Big Book: Fiction: Variety Stage 5, Barbara Mitchelhill](#) , 1999, 0199159181, 9780199159185. The Oxford Literacy Web is an exciting new literacy programme designed to guide schools successfully through the primary years. Fitting the requirements of the National Literacy Strategy, National Curriculum in England and Wales, English Language 5-14 in Scotland, and Common Curriculum in Northern Ireland, the Oxford Literacy Web guides pupils through

the core skills associated with learning to read and write with a diverse range of literary styles within the genres of fiction, non-fiction, rhymes, language, and poetry. The "Fiction" strand: there can be no better way to learn to read than through the Duck Green School and Variety story strands. Exciting stories, hilarious events, and dynamic illustrations combine to ensure diversity and enjoyment. Variety stories extend children's experience of different styles of fiction. They reinforce vocabulary but include a more challenging element to push upward toward the next level.

[The History of Zonaras: From Alexander Severus to the Death of Theodosius the Great, Thomas Banchich, Eugene Lane](#) , 2008, 0203882040, 9780203882047. While an exile from Constantinople, the twelfth-century Byzantine functionary and canonist John Zonaras culled earlier chronicles and histories to compose an account of events from creation to the reign of Alexius Comnenus. For topics where his sources are lost or appear elsewhere in more truncated form, his testimony and the identification of the texts on which he depends are of critical importance. For his account of the first two centuries of the Principate, Zonaras employed now-lost portions of Cassius Dio. From the point where Dio's History ended, to the reign of Theodosius the Great (d. 395), he turned to other sources to produce a uniquely full historical narrative of the critical years 235-395, making Books XII.15-XIII.19 of the Epitome central to the study of both late Roman history and late Roman and Byzantine historiography. This key section of the Epitome, together with Zonaras Prologue, here appears in English for the first time, both complemented by a historical and historiographical commentary. A special feature of the latter is a first-ever English translation of a broad range of sources which illuminate Zonaras account and the historiographical traditions it reflects. Among the authors whose newly translated works occupy a prominent place in the commentary are George Cedrenus, George the Monk, John of Antioch, Peter the Patrician, Symeon Magister, and Theodore Scutariotes. Specialized indices facilitate the use of the translations and commentary alike. The result is an invaluable guide and stimulus to further research for scholars and students of the history and historiography of Rome and Byzantium.

[Patterns and Precursors of Adolescent Antisocial Behaviour: Types, Resiliency and Environmental Influences : Executive Summary of the Second Report, Australian Institute Of Family Studies Staff](#) , 2003, 0975041339, 9780975041338. The second report from the collaborative partnership between the Australian Institute of Family Studies and Crime Prevention Victoria examining the development of anti-social behaviour within a representative sample of Victorian adolescents. A longitudinal study.

[Hanging the Curveball: New and Collected Poems, Ron Wallace](#) , 2012, 0982944721, 9780982944721. In Ron Wallace's Poems, the love of the game catches fire and flares into energetic, heartfelt poetry. Avoiding the usual clichés and well-worn metaphors, Wallace offers a Whitmanesque celebration of the physicality of the game, a vivid emphasis on the

texture of the sport that reveals the souls of those who love it. Here are Wallace classics like "Learning to Speak Choctaw" alongside new poems on a great American Subject. Read this book in the spring. Read it under stadium lights on a long summer evening. Read it again when October comes.

We appreciate your understanding of the imperfections in the preservation process, and hope you enjoy this valuable book.

[Vowel Prosthesis in Romance: A Diachronic Study, Rodney Sampson](#) , 2010, 0199541159, 9780199541157. This book presents for the first time an in-depth historical account of vowel prosthesis in the Romance languages. Vowel prosthesis is a change which involves the appearance of a non-etymological vowel at the beginning of a word: a familiar example is the initial e which appears in the development of Latin sperare to Spanish esperar and French esperer to hope. Despite its widespread incidence in the Romance languages, it has remained poorly studied. In his wide-ranging comparative coverage, Professor Sampson identifies three main categories of vowel prosthesis that have occurred and explores in detail their historical trajectory and the relationship between them. The presentation draws freely throughout on the rich philological materials available from Romance and brings to light various unexpected changes in the productive use of prosthesis through time. For example in French and Italian (which is Tuscan-based), one category of prosthesis became well established in the early Middle Ages only to lose productivity and subsequently become moribund. With its extensive use of empirical data and findings from theoretical linguistics, the book offers a thorough and revealing account of a

fascinating chapter in the phonological history of Romance.

[Ten Theories of Human Nature, Leslie Forster Stevenson, David L. Haberman](#) , 2004, 0195169735, 9780195169737.

Over three previous editions, Ten Theories of Human Nature has been a remarkably popular introduction to some of the most influential developments in Western and Eastern thought. This thoroughly revised fourth edition features substantial new chapters on Aristotle and on evolutionary theories of human nature; the latter centers on Edward O. Wilson but also outlines the ideas of Emile Durkheim, B. F. Skinner, Nikolaas Tinbergen, Konrad Lorenz, Noam Chomsky, and recent evolutionary psychology. This edition also includes a rewritten introduction that invites readers (even if inclined toward fundamentalism or cultural relativism) to careful, critical thought about human nature; a useful new section that summarizes the history of ideas from the Stoics to the Enlightenment; and a new conclusion that suggests a way to synthesize the various theories.

[Law North: A History of the North Queensland Law Association, Gordon Dean](#) , 2009, 0980322057, 9780980322057.

[Ghosts of Ocelots, Jonathan Reynolds](#) , 2013, . Life in The Republic, a nation at once timeless and impossible, is a man lying in a road, a scholar and a former death squad commander meeting at the crest of a high-rise office building, students disappearing into unmarked vans, and buses flying from cliffs. These seven stories bear the brand of a place that seems to operate according to its own laws of space and time, so different from the physics of our own world that to go is to risk getting hopelessly lost, without a map to find the way out.

[Where Is Spring?](#), 2007, 0976205688, 9780976205685. When a young boy sends his kite up into the air to ask the world Where is Spring?, the abstract concept of the season comes to life through spare verse and lush illustration. The sparrow, the seagull, the swallow, and the sun gently open the reader's eye to the surrounding beauty of the blossoming world. The poem's rhythmic language and strong musicality take young readers on a creative journey over field, forest, meadow, and lake. Simple language and gentle repetition create a comforting, lyrical flow that is perfect for children who are learning to read by themselves.

[Husbandry to housewifery: women, economic change, and housework in Ireland, 1890-1914, Joanna Bourke](#), 1993, 0198203853, 9780198203858. This book examines the lives of Irish women between 1890 and 1914, tracing the shift of their labor out of the fields and into the home. Joanna Bourke shows how, in this period, women's position within the employment market deteriorated: married women came to be increasingly dependent on their husbands' wages and economic opportunities for unmarried and widowed women collapsed. Women increasingly devoted all their time to performing housework. Bourke analyzes the crucial elements in this change: the coincidence of sectoral shifts in the employment market, investment in the rural economy, and the growth of a labor and capital intensive household sector. Controversially, she demonstrates that Irish women welcomed their altered role, finding housework preferable to many of the other options available to them.

[I'll Be Seeing You, Suzanne Hayes, Loretta Nyhan](#), 2013, 0778314952, 9780778314950. "I hope this letter gets to you quickly. We are always waiting, aren't we? Perhaps the greatest gift this war has given us is the anticipation" It's January 1943 when Rita Vincenzo receives her first letter from Glory Whitehall. Glory is an effervescent young mother, impulsive and free as a bird. Rita is a sensible professor's wife with a love of gardening and a generous, old soul. Glory comes from New England society; Rita lives in Iowa, trying to make ends meet. They have nothing in common except one powerful bond: the men they love are fighting in a war a world away from home. Brought together by an unlikely twist of fate, Glory and Rita begin a remarkable correspondence. The friendship forged by their letters allows them to survive the loneliness and uncertainty of waiting on the home front, and gives them the courage to face the battles raging in their very own backyards. Connected across the country by the lifeline of the written word, each woman finds her life profoundly altered by the other's unwavering support. A collaboration of two authors whose own beautiful story mirrors that on the page, *I'll Be Seeing You* is a deeply moving union of style and charm. Filled with unforgettable characters and grace, it is a timeless celebration of friendship and the strength and solidarity of women.

[The Oxford Dictionary Of Catchphrases, Anna Farkas](#), 2003, 0198607350, 9780198607359. Have you ever considered how a single line from a movie or a television advertisement spreads to become a ubiquitously popular expression? Do you know the origin of such phrases as "keeping up with the Joneses" and "a man's gotta do what a man's gotta do"?

Are you often stumped when trying to remember the source of a line from a movie or an advertising slogan? The Oxford Dictionary of Catchphrases is the answer to the frequently asked questions "What's that from?" and "Who said that?" and offers a lively exploration of the history and usage of these common and timeless expressions. From "you talkin' to me?" to "melts in your mouth, not in your hand" to "see you later, alligator," this entertaining book provides a comprehensive selection of our best-loved catchphrases, paying homage to the human nature of adopting a common bond through language. A special Source Information section gives a background description of the shows, films, or books that are cited often, and a Source Index allows readers to look up entries from a particular source. With the most up-to-date entries, The Oxford Dictionary of Catchphrases offers an intriguing and fun tour of common language and is ideal for armchair linguists as well as all film, television, and popular culture junkies.

[Swords Around a Throne, John R. Elting](#) , 2009, 0786748311, 9780786748310. This authoritative, comprehensive, and enthralling book describes and analyzes Napoleon's most powerful weapon the Grande Arme which at its peak numbered over a million soldiers. Elting examines every facet of this incredibly complex human machine: its organization, command system, logistics, weapons, tactics, discipline, recreation, mobile hospitals, camp followers, and more. From the army's formation out of the turmoil of Revolutionary France through its swift conquests of vast territories across Europe to its legendary death at Waterloo, this book uses excerpts from soldiers' letters, eyewitness accounts, and numerous firsthand details to place the reader in the boots of Napoleon's conscripts and generals. In Elting's masterful hands the experience is truly unforgettable.

[Intelligent vision systems for industry, Bruce G. Batchelor, Paul F. Whelan](#) , 1997, 3540199691, 9783540199694. The application of intelligent imaging techniques to industrial vision problems is an evolving aspect of current machine vision research. Machine vision is a relatively new technology, more concerned with systems engineering than with computer science, and with much to offer the manufacturing industry in terms of improving efficiency, safety and product quality. Beginning with an introductory chapter on the basic concepts, the authors develop these ideas to describe intelligent imaging techniques for use in a new generation of industrial imaging systems. Sections cover the application of AI languages such as Prolog, the use of multi-media interfaces and multi-processor systems, external device control, and colour recognition. The text concludes with a discussion of several case studies that illustrate how intelligent machine vision techniques can be used in industrial applications.

[Flashman, , , George MacDonald Fraser](#) , 1999, 0006511252, 9780006511250. Flashman, soldier, duellist, lover, imposter, coward, cad, and hero, triumphs in this first installment of The Flashman Papers. His adventures as the reluctant secret agent in Afghanistan and his entry into the exclusive company of Lord Cardigan's Hussars culminate in his foulest hour- his part in the historic disaster of the Retreat from Kabul. This is the story of a blackguard who enjoyed villainy for its own sake. Shameless, exciting, and funny, Flashman's deplorable odyssey is observed with the cynical eye of a scoundrel who was honest only in reporting what he saw.

[Delivering Efficiently: Strengthening the Links in Public Service Delivery Chains, Great Britain: National Audit Office, Audit Commission](#) , 2006, 0102937214, 9780102937213. This joint report by the National Audit Office and the Audit

Commission examines the different ways in which public services are delivered, the nature of the links between partners in public service delivery chains, and how these can be made more efficient and effective. The report draws its conclusions in part from analysis of reports regarding three major Public Service Agreement (PSA) targets relating to affordable housing, increasing bus use, and halting the rise in child obesity. It recommends that government departments and their delivery partners use a self-assessment list of 12 strategic questions to help them understand their capacity to deliver efficient and effective public services, covering issues such as risk management, strategic funding plans and the need for a robust evidence base.

[A Letter to a Brokenhearted Ghetto, Julius Edwards](#) , 2012, 0983486077, 9780983486077. Everyday people follow the easy path of submission and conformity, and ignore their own internal cries of a better future, and environment for themselves and their offspring. Even though they know there is a better way, some are ignorant at the correct steps to take, and find themselves bogged down with the minutia of ghetto life. For those who don't learn from their mistakes, they often repeat them and can be seen regretting the way their lives are heading. To the ones who stay up at night, praying for a better way, Letters to a Brokenhearted Ghetto was penned for you. Julius Edwards, who saw the path that his people took, and noticed the momentous potential that was being wasted, wrote an impassioned cry to the revelers of buffoonery and the ones who want to change. Knowing that transformation first starts internally, Edwards' book works to help address the mental viewpoints that are toxic to our thinking and our being, then he addresses the history of African Americans to help build their knowledge. By attempting to address the larger issues that affect the ghetto, Edwards hope to inspire a change in the people who haplessly live in the ghetto. Complaining doesn't get results, but with a gentle nod in the right direction, Letters to a Brokenhearted Ghetto might be the answer that many lost citizens have prayed for.

[This Angelic Land, Aris Janigian](#) , 2012, 0981854710, 9780981854717. Fiction. The 1992 Los Angeles Rodney King Riots were the most destructive riots in United States history. To date, no work of literary fiction has broached the subject matter head-on. In THIS ANGELIC LAND, Aris Janigian author of Bloodvine and Riverbigtells the story of Adam Derderian, a hip, twenty-seven year old bar owner during his six-day journey through the surreal heart of Los Angeles and one of the city's darkest episodes. Seeming to carry scant memory of Lebanon's civil war, from which Derderian had fled while still a boy, the landscape of the riots now find him revisiting the world he thought he had escaped. Derderian engages with Armenian gangsters, members of the Nation of Islam, a Hancock Park Playboy, and a Kurdish scenic artist as he watches his always uneasy adopted city ransacked and set ablaze. Unflinchingly candid and ingeniously crafted THIS

approach to sexuality and its social controls, Posner's rational choice theory surprises, explains, predicts, and totally absorbs. Richard A. Posner is Circuit Judge, the United States Court of Appeals for the Seventh Circuit, and a senior lecturer at the University of Chicago Law School.

[What's So Great about the Doctrines of Grace?, Richard Davis Phillips](#) , 2008, 1567690912, 9781567690910. In the eyes of many Christians, the doctrines of grace, also known as the five points of Calvinism, are tedious tenets that offer no practical benefit for ordinary believers. But as the Rev. Richard D. Phillips affirms, "To love the doctrines of grace is to love God as He has revealed Himself in His Word." In this book, Phillips both explains the doctrines of Grace through the exposition of Scripture and helps believers feel the power of these magnificent truths. He argues that these doctrines are wonderful in that they reveal the sovereign, mighty and effectual grace of God, shaping Christians' attitudes toward God, themselves, the present life and the life to come.

[Lincolmites and Rebels: A Divided Town in the American Civil War, Robert Tracy McKenzie](#) , 2009, 0195393937, 9780195393934. At the start of the Civil War, Knoxville, Tennessee, with a population of just over 4,000, was considered a prosperous metropolis little reliant on slavery. Although the surrounding countryside was predominantly Unionist in sympathy, Knoxville itself was split down the middle, with Union and Confederate supporters even holding simultaneous political rallies at opposite ends of the town's main street. Following Tennessee's secession, Knoxville soon became famous (or infamous) as a stronghold of stalwart Unionism, thanks to the efforts of a small cadre who persisted in openly denouncing the Confederacy. Throughout the course of the Civil War, Knoxville endured military occupation for all but three days, hosting Confederate troops during the first half of the conflict and Union forces throughout the remainder, with the transition punctuated by an extended siege and bloody battle during which nearly forty thousand soldiers fought over the town. In *Lincolmites and Rebels*, Robert Tracy McKenzie tells the story of Civil War Knoxville—a perpetually occupied, bitterly divided Southern town where neighbor fought against neighbor. Mining a treasure-trove of manuscript

collections and civil and military records, McKenzie reveals the complex ways in which allegiance altered the daily routine of a town gripped in a civil war within the Civil War and explores the agonizing personal decisions that war made inescapable. Following the course of events leading up to the war, occupation by Confederate and then Union soldiers, and the troubled peace that followed the war, Lincolnites and Rebels details in microcosm the conflict and paints a complex portrait of a border state, neither wholly North nor South.

[At Risk: Natural Hazards, People's Vulnerability and Disasters, Ben Wisner](#) , 2004, 0415252156, 9780415252157. The term 'natural disaster' is often used to refer to natural events such as earthquakes, hurricanes or floods. However, the

phrase 'natural disaster' suggests an uncritical acceptance of a deeply engrained ideological and cultural myth. At Risk questions this myth and argues that extreme natural events are not disasters until a vulnerable group of people is exposed. The updated new edition confronts a further ten years of ever more expensive and deadly disasters and discusses disaster not as an aberration, but as a signal failure of mainstream 'development'. Two analytical models are provided as tools for understanding vulnerability. One links remote and distant 'root causes' to 'unsafe conditions' in a 'progression of vulnerability'. The other uses the concepts of 'access' and 'livelihood' to understand why some households are more vulnerable than others. Examining key natural events and incorporating strategies to create a safer world, this revised edition is an important resource for those involved in the fields of environment and development studies.

Photographs, artists' scripts, sketches, journals and storyboards are complemented by writings from prominent curators and critics, as well as interviews with Paul McCarthy, Dan Graham, Isaac Julien, Yvonne Rainer, Nathalie Djurberg, Jérôme Bel and others.

[Darwin: A Very Short Introduction, Jonathan Howard](#) , 2001, 0191622427, 9780191622427. Darwin's theory that our ancestors were apes caused a furore in the scientific world and outside it when *The Origin of Species* was published in 1859. Arguments still rage about the implications of his evolutionary theory, and scepticism about the value of Darwin's contribution to knowledge is widespread. In this analysis of Darwin's major insights and arguments, Jonathan Howard reasserts the importance of Darwin's work for the development of modern biology. ABOUT THE SERIES: The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area. These pocket-sized books are the perfect way to get ahead in a new subject quickly. Our expert authors combine facts, analysis, perspective, new ideas, and enthusiasm to make interesting and challenging topics highly readable.

[The Friends of Meager Fortune, David Adams Richards](#) , 2008, 0099499185, 9780099499183. Will Jameson has a temperament of iron, standing up to men twice his age when he takes over the Jameson lumber company after his father's death. His younger brother Owen is sensitive, literary and fanciful. But when Will dies suddenly and Owen's beloved Lula rejects him, Owen's deeper character comes to light: joining the army in the hope of getting himself killed, instead Owen returns home a decorated war hero. Then he falls in love with the beautiful, childlike Camellia - the wife of Will's old friend Reggie Glidden - and soon Owen and Camellia find themselves watched on all sides, caught in the teeth of an entire town's gossip and hypocrisy. Inexorably, they are pulled into a chain of events that will end with death, disappearance and a sensational trial. *The Friends of Meager Fortune* is a transfixing love story and a devastating portrait of a society - but it is also a brilliant commemoration of the passing of a world, that of the lumberjacks who felled the trees by hand and dragged them down mountainsides with horses. Owen Jameson begins what will become the greatest cut in New Brunswick history, his men setting up camp on the notoriously dangerous Good Friday Mountain. The teamsters spend months in pitiless ice and snow, daily pitting themselves against nature and risking their lives for scant reward, in the last moments before the coming of mechanization that will make them obsolete. This heroic, brutal life is all Meager Fortune, the camp keeper, knows. A good and innocent man, he shows unexpected resolution in the face of the betrayals of the more worldly men around him. Rich with all the passion, ambition and almost mythic vision that

defines David Adams Richards' work, *The Friends of Meager Fortune* is a profound and important book about the hands and the heart; about true greatness and true weakness; about the relentlessness of fate and the evil that men and women do. Wise, stark, and without a false word in it, it cements David Adams Richards' claim to be the finest novelist at work in Canada today.

[Enhancing Quality of Life: Addressing Poverty and Social Disadvantage Through the HACC Program : Home and Community Care Consumer Consultation Project Report, 2008, , 2008, 0980530105, 9780980530100.](#) "Home and Community Care (HACC) Program aims to enhance the quality of life of people in the target population - frail aged people, younger people with a disability, and carers. The Program's National Guidelines identify "financially disadvantaged people" as a group with special needs within that population. Tasmania has high a proportion of financially and socially disadvantaged people compared to most other states and territories, and the HACC target group are particularly vulnerable. Currently, approximately 90% of HACC clients rely on government income support payments of some sort as their primary source of income. Consequently there is an important role for HACC to play in addressing the negative impacts that poverty and disadvantage have on people's quality of life. This research project explores those negative impacts. It is underpinned by the premise that a person's quality of life is in part influenced by external, structural factors, which, the case of HACC target group, can be positively influenced by effective HACC policy responses"--P. 7.

[Queensland Handwriting Made Easy, , Kathy Cubis, Neil Holland](#) , 2005, . Year 5 Theme: Sport and Exercise (Our Bodies). Each Queensland's Handwriting Made Easy workbook includes a comprehensive teaching program, a slope card to help students maintain the required 10 degree slope of cursive handwriting, a skills checklist, both for parents and teachers to assess students' progress in handwriting, and for students to develop a sense of achievement as their handwriting skills improve.

[Biomarkers for Antioxidant Defense and Oxidative Damage, Giancarlo Aldini, Kyung-Jin Yeum, Etsuo Niki, Robert M. Russell](#) , 2011, 0470961759, 9780470961759. Biomarkers for Antioxidant Defense and Oxidative Damage: Principles and Practical Applications critically evaluates the basic concepts and methodologies of conventional biomarkers as well as current state-of-the-art assays for measuring antioxidant activity/oxidative stress and their practical applications. . Biomarkers for Antioxidant Defense and Oxidative Damage: Principles and Practical Applications will be of a great interest

to scientists who are involved in basic research on oxidation, applied scientists evaluating the effects of nutraceuticals or pharmaceutical compounds on antioxidant activity/oxidative stress, and physicians who want to understand the degree of oxidative damage in patients with certain chronic diseases. Discovering sensitive and specific biomarkers for systemic oxidative damage is essential to understand the role of oxidative stress in human disease. Once these roles are clearly understood, we are able to identify novel drug and nutraceutical targets. This volume goes beyond conventional analytical methods of measuring overall antioxidant activity and provides insight to the discovery of biomarkers that reveal information on specific areas of oxidative stress. Contributed by an international list of experts, *Biomarkers for Antioxidant Defense and Oxidative Damage: Principles and Practical Applications* describes both conventional biomarkers and recent developments in this area. Special Features: Discusses conventional biomarkers as well as recent advances for measuring antioxidants and oxidative stress. Biomarkers for lipid peroxidation: isoprostane, hydroxyoctadecaenoic acid, oxysterols, and reactive carbonyl species from lipid peroxidation. Biomarkers for protein oxidation: carbonylation, tyrosine oxidation, ubiquitin-conjugation. Biomarkers for DNA oxidative damage: comet assay, hydroxylated nucleotides, and exocyclic DNA adducts. Recently developed biomarkers from cutting-edge technology.

[BibliOdyssey: Archival Images from the Internet](#) , 2007, 0955006163, 9780955006166. With just a few select books to date, the British publisher (and design company) Fuel has already made a splash with its beautifully produced books on such ephemeral or popular arts as tattooing (Russian Criminal Tattoo Encyclopedia Volumes I and II), soccer programs (Match Day) and improvised domestic implements (Home-Made). Fuel's latest publication extends this visual anthropology to the Internet, specifically the blog BibliOdyssey. Across the world, libraries and institutions are only recently starting to make their collections available online, and the bulk of this amazing material goes unnoted by the casual surfer. BibliOdyssey's mission over the past two years has been to diligently trawl the dustier corners of the

Internet and retrieve these materials for our attention. Thanks to the daily efforts of this singular blog, a myriad of long-forgotten imagery has now re-surfaced, from eighteenth-century anatomical and architectural drawing to occult and alchemical engravings and proto-Surrealist depictions of the horrors of industrialization (for example, the half-plant, half-people illustrations of J.J. Grandville). Each of the images is accompanied by commentary from "PK," author and curator of the BibliOdysseyblog. The book also provides details for each image and links to the source website. With a foreword by artist Dinos Chapman, BibliOdyssey is a true cabinet of curiosities and a journey in discovery and delight.

[Behold, My Teacher's Pet, Nadalia Bagratuni](#) , 2006, 0978938631, 9780978938635. In this paranormal erotic tale, Nadalia Bagratuni introduces you to a teacher's pet, like no other you have ever seen. The Whistler knows many things, for he walks by night. He knows many strange tales, many secrets hidden in the hearts of men and women who have stepped into the shadows. Yes, he knows the nameless terrors of which they dare not speak. However, in Behold My Teacher's Pet, the Whistler wets your imagination with an erotic thriller featuring lucid dreams, government cover-ups, and murder. Who is doing what and to whom is going to be the secret of this tale. The only problem is that every time you think you know what the tale is, another tale grows to take its place. See the tale of Dr. Mary Powers and wonder what it would be like to have unusual powers or abilities.

[Bonjour Tristesse, Franoise Sagan](#) , 1958, 0140011927, 9780140011920. "Cecile leads a hedonistic, frivolous life with her father and his young mistresses. On holiday in the South of France, she is seduced by the sun, the sand and her first lover. But when her father decides to remarry, their carefree existence becomes clouded by tragedy." --Back cover.

[Ravenous, Edgar Allan Poe](#) , 2005, 0973703911, 9780973703917. "Something bad is happening in Good Fortune. A serial killer is ravaging this sleepy little town, leaving his victims sliced in two. A young detective races to piece together this puzzle before the killer can strike again." Inspired by the classic works of Edgar Allan Poe, writer, artist, and creator Dawn Brown presents Ravenous -- a new work that draws from the master while offering a startling new mystery of its own. Ravenous is a fully illustrated tale of suspense and mystery.

[Merchant Shipping Notices: Consolidated to July 31 2009, Stationery Office \(Great Britain\)](#) , 2009, 011553055X, 9780115530555. This is the 11th edition of the consolidated volumes of M Notices and it incorporates the three series of Merchant Shipping Notices (MSNs), Marine Guidance Notes (MGNs) and Marine Information Notes (MINs) current on 31 July 2009. Merchant Shipping Notices derive their information from UK legislation either directly from Merchant Shipping Acts or from secondary legislation. Compliance with the information or instructions in MSNs is mandatory. Marine Guidance Notices give specific advice on preventing or minimising pollution from shipping and general guidance on improving the safety of shipping and life at sea. Marine Information Notices are intended either for specific audiences e.g. training establishments, equipment manufacturers, or have a limited period of validity.

[Combustion, Irvin Glassman, Richard Yetter](#) , 2008, 0080568815, 9780080568812. Combustion Engineering, a topic generally taught at the upper undergraduate and graduate level in most mechanical engineering programs, and many chemical engineering programs, is the study of rapid energy and mass transfer usually through the common physical phenomena of flame oxidation. It covers the physics and chemistry of this process and the engineering applications-from the generation of power such as the internal combustion automobile engine to the gas turbine engine. Renewed concerns about energy efficiency and fuel costs, along with continued concerns over toxic and particulate emissions have kept the interest in this vital area of engineering high and brought about new developments in both fundamental knowledge of flame and combustion physics as well as new technologies for flame and fuel control.*New chapter on new combustion concepts and technologies, including discussion on nanotechnology as related to combustion, as well as microgravity combustion, microcombustion, and catalytic combustion-all interrelated and discussed by considering scaling issues (e.g., length and time scales).*New information on sensitivity analysis of reaction mechanisms and generation and application of reduced mechanisms*Expanded coverage of turbulent reactive flows to better illustrate real-world applications*Important new sections on stabilization of diffusion flames. For the first time, the concept of triple flames will be introduced and discussed in the context of diffusion flame stabilization

[Practical Counseling Skills: The Wording of Effective Therapeutic Statements, Techniques, and Processes, Daniel Keeran Msw](#) , 2012, 0969415591, 9780969415596. Library of Congress Control Number (LCCN):2012923369 The definition of professional counseling is to intervene intentionally for a predictable therapeutic outcome for the person seeking help. Professional counselors, therapists, and mental health practitioners derive their living and identity from their knowledge of the special skills and processes described in this book. Based on transcripts of an intensive practical counseling course presented by the author, the style of the manual is conversational with numerous examples of the effective wording of therapeutic statements. Chapter topics include: Clinical Assessment and Suicide Prevention, The Counseling Process and Therapeutic Interventions, Loss and Grief Counseling Skills, Communication and Conflict Resolution Skills, Couple

Counseling Strategies, and Counseling Ethics. The Appendix is filled with practical concise articles for common issues and processes in counseling such as: depression, anger, bullying, sexual abuse, relationship/marriage issues, healing infidelity, childhood loss of caring, domestic violence, healing grief, words for dying, suicide prevention, addiction, resolving conflict, and more.

[Daily Confessions for Impacting Your World: Transforming Destinies with the Bread of Life, J. E Bamidele Sturdivant](#) , 2012, 098396131X, 9780983961314. The whole world is going into chaos because God's children are not manifesting their God-given ability. To operate on the level which God has destined for us, depends on us knowing Him more intimately and walking in His ways. The primary way to know God is through His Word. Impacting Your World is a tool that will help you to grow in your relationship with God by meditating on and daily confessing His Word. God's revelation is imparted to us in an increasing measure as we go deeper into His Word. Confessing the Word only becomes a major part of faith release if the process of faith formation has been completed in the course of meditation. In this book, J.E Bamidele Sturdivant clearly outlines that meditating on the truth of God's Word and speaking it, works together with our faith to bring victory every time!

[Ferns and Fern Allies of Taiwan \(\), Ralf Knapp](#) , 2011, 9868709806, 9789868709805. 729358007004700A description of all 729 species of ferns and related plants in Taiwan. Taiwan is one of the global diversity centers of pteridophytes (ferns, and plants allied to them) with more than 700 species distributed over an area of 35800 km². This book provides an illustrated introduction to all species of Taiwan and its neighboring smaller islands and islets. All currently known species, subspecies and hybrids. Invasive species extensively illustrated with a total of more than 4700 images. Precise keys for the reliable identification of families, genera and species. Comprehensive background information. Recommendations for conservation needs. Distribution and frequency information for all species. Description of vegetation zones and habitats for all species. Scientific names accompanied with Chinese name, pinyin transcription and commonly used deviating scientific names. Extensive bibliography. Detailed index containing synonyms, misapplied names and names in alternative taxonomic combinations.

[Blood Born, Jamie Manning](#) , 2012, 0983558000, 9780983558002. Waking up in a coffin hungry for blood is only the beginning for sixteen year old Ava Blue. When Chance Caldon, the hottie who dug her up, tells her that's she half vampire Ava's world really turns upside down. Half vamp? Ava can't believe it.... She doesn't even know that that means! Not until Aldric, a thousand-year-old vampire shows up and tells her it's true- and that he's the one who turned her. Then Ava truly begins to believe what she is. Now, she has to deal with a sudden and powerful bloodlust, the desire to see Aldric dead and her growing crush for Chance. Ava knows she's a monster now, she can feel it and her life is over. But

redemption isn't lost. Aldric is giving her a chance to regain her humanity. The price? Kill a hundred vampires or remain a bloodsucker forever. So Ava sets out to get her life back. But killing vampires begins a battle that could destroy everything she is working toward. In the end Ava's decisions will forever change her life and the lives of those she loves.

[Best Way to Train Your Gun Dog: The Delmar Smith Method, Bill Tarrant](#) , 1977, 0679507507, 9780679507505. Bill Tarrant says that dog trainer extraordinary Delmar Smith, five-time winner of both the National Open and U.S. Open Brittany championships, is the best friend a dog ever had. What can Smith's methods do for your dog, your hunting, your field-trial aspirations? "If you want to train like a pro, " says Smith, "you've got to think like a dog." Then, in colorful Oklahoma speech, he explains (and Bill Tarrant reports) exactly how to go about it. Over eighty photos by Tarrant illustrate the fine points. While training horses as a youngster, Smith learned the secrets of what he calls "point of contact, repetition, association." He takes the mystery of how to apply these lessons to dog training and shows how to get outstanding results the humane way - without shouting, stomping, or striking the dog. Even if you live in the suburbs or the city, not ideal places for training a gun dog, you'll be surprised how much of the Delmar Smith method you can use. No, it's not a perfect method, even though it's the best, so Smith passes along advice on problem situations.

[The Essence of Engineering Fluid Mechanics, M. P. Escudier](#) , 1998, 0137282966, 9780137282968. The Essence of Engineering Fluid Mechanics provides an introduction for first year undergraduate students studying mechanical, aeronautical, chemical and civil engineering, with minimal use of advanced mathematics. The text covers four key topics: dimensional analysis (which is approached using the method of sequential elimination of dimensions) hydrostatics, Bernoulli's equation and linear momentum equation.

[Dictionary of Celtic mythology, James MacKillop](#) , 1998, 0198691572, 9780198691570. This accessible new work explores the whole of Celtic mythology, legend, saga, and folklore. Subjects covered in the 4,000 alphabetically arranged entries include characters in Celtic myth such as Deirdre, Cuchulainn, and Branwen; places, real and imaginary, revealing the mythological and legendary associations of places such as Anglesey, Bath, and the river Shannon; creatures from folklore such as the glaistig, brownie, and leprechaun; gods and goddesses and their classical parallels; tale cycles and narratives such as Y Gododdin and the Tain Bo Cuailnge; real and legendary figures such as St Brigid, Caradog, and Geoffrey of Monmouth; animals and plants such as the deer and foxglove; Arthurian parallels such as Perceval, Galahad, and Tristan; artefacts such as cauldrons and the Sheela-na-gig; regions and countries from Brittany and Caerphilly to Galatia in Asia Minor; archaeological sites such as Dinas Emrys and the Uffington White Horse; and vital concepts and ideas including flood legends, the dead, female warriors, kingship, druids, and the Otherworld.

[The Baby Daddy Interviews, Tina Martin](#) , 2012, 0985248424, 9780985248420. A funny, yet touching story of one woman's determination to find a father for her baby... Breonna Morris thought her marriage to Tyler was perfect. Never mind all the hours she spent at work. Never mind the time she wasted shopping and partying with her best friend, Courtney. Never mind being a wife. She was living the married life as a single woman, while Tyler slowly drifted away. Breonna's world turns upside down when she wakes up one morning to find that Tyler is gone. Desperate to find meaning in his disappearance, she reaches out to him but Tyler makes it very clear that he wants nothing else to do with her, that he's tired of being a single, married man. He's moved on. Breonna is devastated, realizing that not only is she suddenly husbandless, but she's also pregnant. Courtney gives her a crazy idea to put an ad in the local paper to search for a father figure for her baby. Breonna follows through with the idea and is excited with the responses she receives. She even conducts interviews with the most qualified candidates. One in particular catches her eye, Vaughn Ramos - a sexy, tall Puerto-Rican papi who wants to play daddy in more ways than one. There's only one problem - Tyler doesn't know that she's pregnant.

[Mendelssohn : A Life in Music: A Life in Music, R. Larry Todd Professor of Musicology Duke University](#) , 2003, 0198027052, 9780198027058. An extraordinary prodigy of Mozartean abilities, Felix Mendelssohn Bartholdy was a distinguished composer and conductor, a legendary pianist and organist, and an accomplished painter and classicist. Lionized in his lifetime, he is best remembered today for several staples of the concert hall and for such popular music as "The Wedding March" and "Hark, the Herald Angels Sing." Now, in the first major Mendelssohn biography to appear in decades, R. Larry Todd offers a remarkably fresh account of this musical giant, based upon painstaking research in autograph manuscripts, correspondence, diaries, and paintings. Rejecting the view of the composer as a craftsman of felicitous but sentimental, saccharine works (termed by one critic "moonlight with sugar water"), Todd reexamines the composer's entire oeuvre, including many unpublished and little known works. Here are engaging analyses of Mendelssohn's distinctive masterpieces--the zestful Octet, puckish *Midsummer Night's Dream*, haunting Hebrides Overtures, and elegiac Violin Concerto in E minor. Todd describes how the composer excelled in understatement and nuance, in subtle, coloristic orchestrations that lent his scores an undeniable freshness and vividness. He also explores Mendelssohn's changing awareness of his religious heritage, Wagner's virulent anti-Semitic attack on Mendelssohn's

music, the composer's complex relationship with his sister Fanny Hensel, herself a child prodigy and prolific composer, his avocation as a painter and draughtsman, and his remarkable, polylingual correspondence with the cultural elite of his time. Mendelssohn: A Life offers a masterful blend of biography and musical analysis. Readers will discover many new facets of the familiar but misunderstood composer and gain new perspectives on one of the most formidable musical geniuses of all time.

[Rules of Betrayal, Christopher Reich](#) , 2011, 0099556766, 9780099556763. The most riveting novel yet in Christopher Reich's New York Times bestselling series-featuring Dr. Jonathan Ransom and his undercover-agent wife Emma, a dangerous woman with a mysterious past who has gone rogue in the high-stakes, serpentine world of international spies. In 1980, a secret American B-52 crashes high in a remote mountain range on the Pakistan-Afghanistan border. Nearly thirty years later, and spanning locales from those peaks to New York City, a terrible truth will be revealed. Jonathan Ransom returns as the resourceful doctor thrown into a shadowy world of double and triple agents where absolutely no one can be trusted. To stay alive, Ransom must unravel the mystery surrounding his wife-an enigmatic and lethal spy who plays by her own rules-and discover where her loyalties truly lie. Rules of Betrayal is a masterfully plotted novel that cements Christopher Reich's reputation as one of the most admired espionage thriller writers today.

The Valuation Office Agency is an executive agency of the Inland Revenue. The services it provides include: compilation and maintenance of lists of the rateable values of business properties in England and Wales; compilation and maintenance of council tax bandings; chief valuer to Scotland and Wales; advising the Inland Revenue on capital gains, inheritance tax and compliance investigations; and advising ministers on property valuation matters. This publication contains the Agency's annual report and accounts for the year 2003-04, including its

performance results against key targets during this period.

[Rules of practice & procedure: United States Tax Court : effective June 30, 2003 with additions & amendments through November 15, 2002, United States. Tax Court](#) , 2003, 0160514363, 9780160514364.

[The Happy Prisoner, Monica Dickens](#) , 2012, 1448210224, 9781448210220. It is the end of WW II and the household of Mrs. North, a well-to-do widow with a country cottage, is very busy. War circumstances brought both of her daughters home: loud but good-hearted tomboy, Violet, and highly-strung and over sensitive Heather with her two small children. Mrs. North is also taking care of her young niece, Evelyn, a lively child who loves to play on the local farm and has a great passion for animals. But at the center of all this is Oliver, Mrs. North's only son who lost his leg during the war service abroad. Recovering from his injuries, bed-ridden Oliver has nothing better to do but observe the busy lives of the people around him. Treated as a hero and a confidant by all the women in his family, Oliver begins to enjoy his new role as a self-proclaimed counselor. Due to his advice, Violet, an independent spinster, unexpectedly accepts the marriage proposal from a local farmer. Her wedding is a success and Violet finds a new happiness in her marriage, but soon Oliver's meddling in his family affairs goes too far. Will his risky instructions save or ruin Heather's marriage, which is at the brink of crisis, when her husband comes back from Australia after a few years of separation? Will Oliver learn to accept his new circumstances? Will he finally face the reality and start to rebuild his own life? In this compendium plot, Monica Dickens, with her typical attention to detail, humor and talent for creating vivid characters, explores complicated life stories of the close-knit family and their friends at the end of the war. The Happy Prisoner was first published in 1946.

[Employment in the Lean Years: Policy and Prospects for the Next Decade, David Marsden](#) , 2011, 0191620513, 9780191620515. Over the last fifteen years, the deregulation of Britain's labour market has led to economic growth, employment opportunities, and a more diverse workforce: the 'fat years'. However, now as Britain faces its lean years with job cuts, rising unemployment, income insecurity, and related social strains, how can and should the government and key labour market policy makers ensure the labour market provides job opportunities and reasonable levels of social justice? The fundamental changes that have occurred in labour market institutions mean that 'solutions' of previous decades no longer work. This volume sets out to address the major challenges faced: - Unemployment, immigration, housing and job subsidies - Key institutional changes, such as the decline of collective regulation and the rise of occupational licensing - Pay inequality and minimum wages - Pay and subsidies in the private and public sector Contributions from leading experts in the field employ the latest theory and empirical research to examine a different set

of problems and the policies that could help to resolve them.

[Start Your Own: 101 Extra Income Ideas, Mary Ann Gardner, Prentice Hall](#) , 1994, 0136032672, 9780136032670. If you've been looking for a good idea or hoping for a "brainstorm" to create extra income, just leaf through Start Your Own Business: 101 Extra Income Ideas. It is brimming with opportunities you can use right now to generate supplemental income. Choose from over 100 suggestions ranging from detailing autos to offering group tours to catering weddings. Start with a general subject area that you find interesting or enjoyable, like photography or crafts. Then consider the many ways you might use your talents.

[Gehry Talks: Architecture and Process, Mildred S. Friedman, Frank Owen Gehry, Michael Sorkin](#) , 2003, 0500283931, 9780500283936. 'Gehry Talks - Architecture + Process' documents all his new work over the past decade, tracing his evolution from a southern California architect known for his idiosyncratic use of materials and collaboration with local artists, to an international figure whose fluid, hitherto undreamt-of forms surge beyond the aesthetic and technical constraints of the twentieth century.

[Western Esotericism: A Guide for the Perplexed, Wouter J. Hanegraaff](#) , 2013, 1441188975, 9781441188977. Western esotericism has been a pervasive presence in Western culture from late antiquity to the present day, but until recently it was largely ignored by scholars and surrounded by misconceptions and prejudice. This accessible guide provides readers with the basic knowledge and tools that will allow them to find their way in this bewildering but fascinating field. What is it that unites phenomena as diverse as ancient gnosticism and hermetism, the "occult sciences" of astrology, alchemy, and magic, rosicrucianism, as well as Christian theosophy, occultism, spiritualism, and the contemporary New Age spiritualities? What can the study of them teach us about our common cultural and intellectual heritage, and what is it that makes them relevant to contemporary concerns? How do we distinguish reliable historical knowledge from legends and fictions about esoteric traditions? These and many other questions are answered clearly and succinctly, so that the reader can find his way into the labyrinth of Western esotericism and out of it again.

[The Da Vinci Deception I, Malcolm Mahr](#) , 2013, 0985676264, 9780985676261. Leonardo da Vinci died in 1519 at age sixty-four. He left behind a god-like reputation in art, engineering, and science. Shortly before Da Vinci's death, the Cardinal of Aragon and his secretary, Antonio de Beatis, visited the maestro. The churchmen observed four Da Vinci masterpieces: The Mona Lisa; The Virgin and Child with St. Anne; St. John the Baptist, and a bare-breasted Madonna -Monna Vanna. DeBeatis said, "Signor Da Vinci, your painting is a profanation! It's carnality. It smacks of heresy and must be destroyed! Ecclesia nonn novit sanguinem. The church burns those who would displease them." The "greatest genius of all time" devised a stratagem to preserve his topless masterwork. After his death, three of the paintings ended up in the Louvre-where they are exhibited today. As to the Monna Vanna, her whereabouts remained unknown for five centuries until an American art professor, Dov Markov, with the help of beautiful Mirielle Leclerc, of the French Art Loss Registry, embarked on a dangerous search for the lost Monna Vanna. They were forced to confront powerful antagonists: ruthless international art traffickers, Russian mafia, and a fanatical religious sect known as the 'Holy Madmen.'

[Great Short Works of Herman Melville, Herman Melville](#) , 2009, 006176079X, 9780061760792. Billy Budd, Sailor and Bartleby, the Scrivener are two of the most revered shorter works of fiction in history. Here, they are collected along with 19 other stories in a beautifully redesigned collection that represents the best short work of an American master. As Warner Berthoff writes in his introduction to this volume, "It is hard to think of a major novelist or storyteller who is not also a first-rate entertainer . . . a master, according to choice, of high comedy, of one or another robust species of

expressive humour, or of some special variety of the preposterous, the grotesque, the absurd. And Melville, certainly, is no exception. A kind of vigorous supervisory humour is his natural idiom as a writer, and one particular attraction of his shorter work is the fresh further display it offers of this prime element in his literary character."

[My First Opposites Board Book, Peter Patilla](#) , 2002, 0199108447, 9780199108442. Opposites uses Julie Park's bright and lively illustrations to introduce babies and toddlers to everyday opposites such as big and small or hot and cold.

[The Kitchen Garden Grower's Guide: A Practical Vegetable and Herb Garden Encyclopedia, Stephen Albert](#) , 2008, 1419655795, 9781419655791. A veritable encyclopedia and easy how-to guide on all that is natural and necessary in the world of gardening and small fruit, vegetable, and herb preparation, in *The Kitchen Garden Grower's Guide: A practical vegetable and herb garden encyclopedia*, Stephen Albert leaves no stonecollard green, leek, or potato unearthed in this absolutely amazing field guide that greenhorns, old hands, weekend gardeners, and chefs should not be without. From the soil to the plate, this manual is exceptionally penned and easy to follow. It provides answers to basic and in-depth growing questions. It includes how to plant, how to grow and care for crops, how to harvest, how to store, and how to prepare vegetables and herbs. From asparagus and beet greens to Belgian endive and strawberries, this book helps readers organize a small garden close to the kitchen that offers their favorite, fresh-picked-at-the-peak-of-ripeness small crop and the template on how to orchestrate the effort.

[P.K. Pinkerton and the Petrified Man, Caroline Lawrence](#) , 2013, 1101608579, 9781101608579. The second book in a rip-roaring adventure series set in the wild west! After escaping the ruthless desperados, P.K. finally feels safe in Virginia City and is ready to set up a new private eye business. But all the mysteries in town seem to be pranks until the day P.K. meets a young maid named Martha. Martha's employer has been found dead . . . and now the killer is after her. The mystery takes a grave turn when Martha disappears, so P.K. consults Poker Face Jace, an expert at people reading. With his help, P.K. inspects saloons and billiard rooms, and even tries sneaking into the coroner's office. But time is quickly running out for P.K., and Martha's life has never been in more danger.

[Try Again, Trevor, Rob Lewis](#) , 1998, 0099461714, 9780099461715. Trevor, the loveable terrapin is back!! This time his Granny is ill and the family are going to visit her. Everyone's bought a present, except Trevor - he hasn't got any money to buy one! 'Why don't you make Granny a present?' says Dad. But poor old Trevor's not much good at making things

and with only a stick, some string and some berries, he's somewhat lacking in inspiration. It's only when he gets to Granny's house that he thinks of the perfect get well gift for Granny. . .

[The Adonis Complex: How to Identify, Treat and Prevent Body Obsession in Men and Boys, Harrison G. Pope, Roberto Olivardia, Katherine A. Phillips](#) , 2002, 068486911X, 9780684869117. A HEALTH CRISIS THAT STRIKES MEN OF ALL AGES Trying everything from compulsive weight lifting to steroids, more and more boys and men are taking the quest for physical perfection beyond the bounds of normal behavior. The Adonis Complex -- the groundbreaking book that first gave a name to this phenomenon and sparked nationwide interest in the subject -- identifies for the first time the symptoms and warning signs of this dangerous problem, including: An obsession with exercise, sometimes to the exclusion of all other activities Binge eating, anorexia nervosa, and bulimia The abuse of steroids, muscle-building supplements, and diet aids But perhaps more important, it offers readers an explanation of the underlying causes of the Adonis complex, together with hands-on advice for those who have experienced body obsessions themselves, or who see these problems in a boy or man they love.

[Screw Heaven, When I Die I'm Going to Mars, Shannon Wheeler](#) , 2007, 159307820X, 9781593078201. For longer than a decade Shannon Wheeler's flagship character Too Much Coffee Man has cast his tender, cynical gaze on lots of stuff that deserves to be made fun of, from the insipidity of coffee consumer culture to the horrendous reality of dating. This latest collection of short cartoons takes a step back from the cartoonist's usual scrutiny of mundane pettiness and takes a somewhat sweeter look at life's bigger issues. The result is the funniest, most sharply executed collection of Wheeler's comics ever.
