[Effective reading in a changing world, Rose Wassman, Lee Ann Rinsky](#) , 1997, 0133487989, 9780133487985. Using an integrated, holistic approach to reading and writing, this book is designed to help adult readers of varying backgrounds strengthen their cognitive abilities, view reading as a positive experience, develop the essential strategies needed for successful college and lifelong reading, and explore contemporary controversial issues. Broad in scope, it combines mature, high-interest reading selections with in-depth practice activities and a broad spectrum of reading comprehension questions and suggestions for discussion and journal writing. The focus throughout is on literal and inferential comprehension of book, essay, and literary material, as well as on the skills and strategies necessary for critical thinking, vocabulary development, and effective study techniques.

[Coffee with Jeseus, Todd Uebele](#) , 2011, 0983100934, 9780983100935. Start your day off right! Have coffee with your Savior. What better way to start your day? Coffee With Jesus is an eight week long morning devotional that stresses your walk with Him. It is designed to help you grow closer to Him as you reflect on His life and yours. Short enough to do over your morning coffee, but filling enough to aid you in your Christian walk, this devotional covers such topics as submission to His will, humility, unity, and many more!

[The Internet Book: Everything You Need to Know about Computer Networking and How the Internet Works, Douglas Comer](#) , 1997, 0138901619, 9780138901615. The Internet Book examines computer networking and the Internet from a nontechnical perspective. It explains how computers communicate, what the Internet is, how the Internet works, and what the Internet can do for you. No background is required because early chapters clearly explain the terminology and concepts. The book focuses on fundamentals - it describes basic Internet capabilities and shows how they apply to a variety of services. When you finish reading, you will know what the Internet is, how it can be used, and why people find it so exciting. In addition, you will understand the origins of the Internet and why it is growing so rapidly. More important, you will understand the potential ways the Internet can change your life.

[Experiments in Physiology, Gerald D. Tharp, David A. Woodman](#) , 2010, 0321652193, 9780321652195. Known for its clear language, logical organization, and range of exercises, this versatile manual covers all the material needed for a one-semester laboratory course and can be used with any text. Over 90 exercises are organized into 22 chapters that are suitable for a two- or three-hour lab period. This revision retains Tharp/Woodmans simple, clear artwork, challenging lab report questions, and strong technology integration including PowerLab, Vernier, and PhysioEx. Now spiral-bound for ease of use, the Tenth Edition increases focus on clinical applications and critical thinking questions.

[The Art of Punk, Russell Bestley, Alex Ogg](#) , 2012, 1780381301, 9781780381305. It is almost impossible to believe that the posters, flyers and other punk ephemera were once used and discarded. But despite such humble origins, this groundbreaking artwork continues to have an impact on music, fashion and media today. This is the first ever comprehensive review of punk art/design ever published. This lavishly illustrated book celebrates a wide range of punk design in posters, flyers, album cover art, fanzines and fashion ephemera from T-shirts to badges. All the classic bands, like the Ramones, the Sex Pistols, the Damned and the Clash are covered as are numerous rare and wonderful items from around the world. Includes 225 illustrations from anonymous and uncredited artworks to pieces by UK artists including Jamie Reid, Malcolm Garrett, Linder Sterling, Peter Saville, Barney Bubbles and US artists including Lindsey Kuhn, Raymond Pettibon, Winston Smith, John Seabury, Art Chantry, Paul Imagine and many more.

[Introductory Chemical Engineering Thermodynamics, J. Richard Elliott, Carl T. Lira](#) , 2012, 0136068545, 9780136068549. A Practical, Up-to-Date Introduction to Applied Thermodynamics, Including Coverage of Process Simulation Models and an Introduction to Biological Systems Introductory Chemical Engineering Thermodynamics, Second Edition, helps readers master the fundamentals of applied thermodynamics as practiced today: with extensive development of molecular

perspectives that enables adaptation to fields including biological systems, environmental applications, and nanotechnology. This text is distinctive in making molecular perspectives accessible at the introductory level and connecting properties with practical implications. Features of the second edition include Hierarchical instruction with increasing levels of detail: Content requiring deeper levels of theory is clearly delineated in separate sections and chapters Early introduction to the overall perspective of composite systems like distillation columns, reactive processes, and biological systems Learning objectives, problem-solving strategies for energy balances and phase equilibria, chapter summaries, and important equations for every chapter Extensive practical examples, especially coverage of non-ideal mixtures, which include water contamination via hydrocarbons, polymer blending/recycling, oxygenated fuels, hydrogen bonding, osmotic pressure, electrolyte solutions, zwitterions and biological molecules, and other contemporary issues Supporting software in formats for both MATLAB and spreadsheets Online supplemental sections and resources including instructor slides, ConcepTests, coursecast videos, and other useful resources

[Words in Context: A Japanese Perspective on Language and Culture, Takao Suzuki](#) , 2001, 477002780X, 9784770027801. Observing the nuances of language, Shunji Suzuki contends, is more complicated than simply cataloging speech patterns. Language includes a set of unconscious expectations that communicate much, much more. Words in Context is an exploration of the intimate relationship between language and lifestyle, psychology, and culture. Suzuki convincingly illustrates the dangers of isolating words from their cultural context, and focuses on the types of misperceptions that result from such widely held practices. Citing examples from Japanese and other languages, he demonstrates how words carry nuanced cultural baggage and must be considered in the broader context of culture, history, and social mores to fully appreciate their potency.

[Rameau's Nephew and First Satire, Denis Diderot](#) , 2006, 0191604771, 9780191604775. In Diderot's brilliant and witty dialogue two acquaintances discuss art, music, education and society. A key work of the French Enlightenment, in this sparkling new translation it is paired with Diderot's First Satire, providing context for Rameau's Nephew, the 'second satire'. - ;'unless you know everything, you really know nothing' Diderot's brilliant and witty dialogue begins with a chance encounter in a Paris caf--eacute--; between two acquaintances. Their talk ranges broadly across art, music, education, and the contemporary scene, as the nephew of composer Rameau, amoral and bohemian, alternately shocks and amuses the moral, bourgeois figure of his interlocutor. Exuberant and highly entertaining, the dialogue exposes the corruption of society in Diderot's characteristic philosophical exploration. The debates of the French Enlightenment speak

to us vividly in this sparkling new translation, which also includes the First Satire , a related work that provides the context for Rameau's Nephew, Diderot's 'second satire'. -

[The Case for Impeachment: The Legal Argument for Removing President George W. Bush from Office, Dave Lindorff, Barbara Olshansky](#) , 2007, 1429906588, 9781429906586. The war in Iraq . . .No bid contracts awarded to Halliburton . . .Hurricane Katrina . . .The CIA leak investigation . . .The story gets worse and worse. The evidence is glaring. George W. Bush's record as a president is abysmal. And its time to impeach him. The Case for Impeachment lays out the reasons why in a straightforward, letter-of-the-law manner. Mixing the cold, hard facts with the lies and deceptions of this administration, The Case for Impeachment is a serious consideration of Bush's high crimes and misdemeanors while in office. This important and timely book will serve as a rallying cry for all those fed up with George W. Bush's abuses of power. It's time for the American people and Congress to act. With so much at stake, we have a president whose administration stands out in its criminality and disdain for the rule of law. The Case for Impeachment explains the legal history and grounds for impeaching George W. Bush and brings forth more than a half dozen articles of impeachment the likes of: *Lying and inducing Congress and the American people into an unjust war.*Allowing his friends and business cronies to profiteer off the war in Iraq.*Authorizing torture and rendition of prisoners of war and suspected terrorists--a complete violation of the Geneva Conventions, a treaty the U.S. has signed and is therefore part of our law.*Stripping American citizens of their Constitutional rights--holding people with no charge, wiretapping them illegally, offering them no trial, and never allowing them to face their accusers.*Failing in almost every way possible to defend the homeland and our borders. Hard hitting and persuasive in its argument, The Case for Impeachment will be one of the most talked-about political books for the pathetic remainder of the Bush Presidency.

[Practical Safety Guide to Zero Harm: How to Effectively Manage Safety in the Workplace, Wayne G. Herbertson](#) , 2008, 0980530229, 9780980530223. In contemplating the contents of this book, one realizes the potential it contains to

contribute to the reformation of attitudes on the job toward an environment of limiting if not eliminating physical harm in the workplace. Through the proposition of marrying behavior to attitude, feelings and skills in the workforce, safety in the organization can be lifted to its rightful place against the demanded outcomes of operational entities usually considered to be only financial success. This publication lifts the consideration of zero harm in the workplace to be not only of equal importance, but in fact to be the driver of success for the enterprise, not only economically but also of good corporate behavior. By patient demonstration this book will assist management to arrive at and set values compatible with the installation of processes to build skills, set attitudes, and encourage pride across the workforce to deliver superior outcomes with respect to safety. As demonstrated, a leadership focus extending from management through to individual team, and ultimately to total company commitment, can be put into practice to enable continuous improvement to occur through safety as a core value. Regulation and risk control is becoming a subject of heightened focus by government authorities, and management obligations continue to be raised with appropriate penalties extracted for non compliance. Procedures and processes to help the practitioner "continuously improve" his performance are laid out with clarity in this book, having been developed and tested thoroughly by professionals having had many years experience in building up procedures. This book is a must as a handbook and ready reference for all managers seeking continuous improvement in safety maturity and leadership.

[The Economics of Entrepreneurship, Simon C. Parker](#) , 2009, 0521899605, 9780521899604. Entrepreneurship is an integral part of economic change and growth. Yet until recently it has been largely neglected by economists. In The Economics of Entrepreneurship, Simon C. Parker draws on theoretical insights and recent empirical findings to show how economics can contribute to our understanding of entrepreneurship. The book is based on an earlier work, The Economics of Self-employment and Entrepreneurship (Cambridge University Press, 2004), that has quickly become an essential reference for academics researching the economics of entrepreneurship. Written in a more accessible style, this book contains much that made this earlier work so successful and, in addition, includes improved pedagogical features and new material on the theory of the firm, spin-offs, nascent entrepreneurship, growth-enhancing knowledge spillovers and social entrepreneurship. It can be used both as a reference text for academics from a variety of disciplines and as a textbook for graduate students.

[Cruising for Cowards: Strategies, Boats and Equipment Preferred by Experienced Cruisers, Liza Copeland, Andy Copeland](#) , 1997, 0969769032, 9780969769033. A must for all sailboaters--whether weekend, coastal, circumnavigator or dreamer. Rather than overwhelming with technicalities, the Copelands have focused on the strategies, boats and equipment that are preferred by experienced cruisers. Written to meet the needs of both coastal sailors and circumnavigators, this books answers such questions as: What kind of boat to buy and how to find it? How much cruising costs, how funds are managed, and work along the way. How cruisers provision, maintain their boats, plan routes to avoid storms,

communicate with home, cope with the constant requirements of travel, and live together on a small boat 24 hours a day.

Known for its engaging, conversational writing style, each chapter provides clear introductions to even the most difficult philosophical concepts and includes selected primary readings from some of the most important thinkers of all time. Throughout the book, the authors link philosophical ideas to historical developments that affect the lives of everyday people.

[The Sky is Falling, Kit Pearson](#) , 2007, 0143186329, 9780143186328. It is the summer of 1940, and all of England fears an invasion by Hitlers army. Norah lies in bed listening to the anxious voices of her parents downstairs. Then Norah is told that she and her brother, Gavin, are being sent to Canada. The voyage across the ocean is exciting, but at the end of it Norah is miserable. The rich woman who takes them in prefers Gavin to her, the children at school taunt her, and as the news from England becomes worse, she longs for home. As Norah begins to make friends, she discovers a surprising responsibility that helps her to accept her new country.

[Twenty First Century Science: GCSE Chemistry Student Book 2/E, , ISBN 0199128545, 9780199128549, Helen Harden, Andrew Hunt, John Lazonby, Ted Lister, Mike Shipton, Vicky Wong, Dorothy Warren](#) , 2011, 0199138370,

9780199138371. The second editions of these bestselling Twenty First Century Science resources have been developed in partnership with OCR, the University of York Science Education Group and the Nuffield Foundation. The resources have been fully updated to match the new 2011 specifications. The second editions build on the success of this hugely popular suite of resources. Using extensive feedback from schools and teachers, the new suite provides ideal support for the 2011 specifications. There is lots of support for exam preparation and assessment throughout the course and even more differentiation support to help learning for all abilities. The course is fully customizable using the latest digital support and it's packed with new scientific contexts reflecting the latest research and ideas. The GCSE Chemistry Student Book helps you create engaging, lively and relevant science lessons. Taking three sciences can provide the fullest coverage of these subjects. This course helps your students make sense of science in everyday life and appreciate what it can tell them about themselves and the world around them. It also stimulates students to develop fundamental scientific ideas, with an emphasis on explanations and concepts.

[The Art of Gaman: Arts and Crafts from the Japanese American Internment Camps 1942-1946, Delphine Hirasuna](#) , 2013, 030780836X, 9780307808363. In 1942, Executive Order 9066 mandated the incarceration of 110,000 Japanese Americans, including men, women, children, the elderly, and the infirm, for the duration of the war. Allowed only what

they could carry, they were given just a few days to settle their affairs and report to assembly centers. Businesses were lost, personal property was stolen or vandalized, and lives were shattered. The Japanese word gaman means "enduring what seems unbearable with dignity and grace." Imprisoned in remote camps surrounded by barbed wire and guarded by soldiers with machine guns, the internees sought courage and solace in art. Using found materials at first and later what they could order by catalog, they whittled and carved, painted and etched, stitched and crocheted. What they created is a celebration of the nobility of the human spirit under adversity. THE ART OF GAMAN presents more than 150 examples of art created by internees, along with a history of the camps.Reviews". . . demonstrates the poignancy of the internment experience and the strength of the human spirit."-Alaska Airlines MagazineFrom the Hardcover edition.

[Watch Out! Godly Women on the Loose, Corallie Thornton](#) , 2008, 0980541484, 9780980541489. Feel trapped? Stuck in a rut? So weighed down/bound by past experiences that freedom seems virtually impossible? Then this is the book for you.All kinds of Christian women (and men too) in need of a challenging wake-up call will benefit from reading this book. While particularly useful for anyone from a dysfunctional or abusive background, it's just as useful for long-term Christians in need of a reason to get out of bed and/or get to work in God's Kingdom.Coming from years of neglect, depression, even suicidal thoughts, Corallie Thornton knows what it is like to feel as if your whole world is collapsing around you. In this book, she shares about her own personal struggles as a young believer, and how God was able to set her free from the bondage of her past. The book tackles issues of negativity, the desire to quit, making excuses to get out of God's work, how and why we can forgive, and being able to move on from our past.

[Three Simple Rules for Christian Living, Jeanne Torrence Finley](#) , 2008, 1426700253, 9781426700255. Three Simple Rules for Christian Living by Jeanne Torrence Finley and Rueben P. Job This small-group study by Jeanne Torrence Finley is based on Rueben P. Job's book Three Simple Rules: A Wesleyan Way of Living. Six sessions provide extended reflection for adults on three principles of Christian life: do no harm, do good, and stay in love with God. Each rule has a session to help you understand the rule and a session to help you explore ways to practice the rule. Your church can do a church-wide study of three simple rules by using the youth resource, Three Simple Rules 24/7, and the children's resource, Three Simple Rules for Following Jesus, along with this book. Parents who would like to discuss the three simple rules with their children can download a free list of suggested questions at Cokesbury.com (click below). Jeanne Torrence Finley is a clergy member of the Virginia Conference of the United Methodist Church, co-chair of the Virginia Conference Board of Church and Society, and director of Collegial Communications. She has worked as a campus minister, pastor, college English teacher, workshop leader, and communications consultant. Finley writes regularly for FaithLink. Her work has appeared in the Journal of Presbyterian History, Worship, The Mennonite, Christian Science Monitor, the Virginia Advocate, and Christian Social Action. [Tropic of orange: a novel, Karen Tei Yamashita](#) , 1997, 1566890640, 9781566890649. Irreverently juggling magical realism, film noir, hip hop, and chicanismo, Karen Yamashita presents an L.A. where the homeless, gangsters, infant organ entrepreneurs, and Hollywood collide on a stretch of highway struck by disaster. The Harbor Freeway crisis becomes the apex of events - caused by an orange, which has been brought to L.A. from just north of Mazatlan, dragging with it the Tropic of Cancer. Rafaela, caretaking Gabriel's getaway home in Mexico, discovers a dealer of human body parts and flees north, joining a performer/laborer named Arcangel. Meanwhile, Gabriel, a news reporter in L.A., has been following leads in which seemingly unrelated events mysteriously unite as the homeless take up residence in abandoned Mercedes, lowriders, and Cads, and an aged Asian American sansei conducts symphonies from a freeway overpass. Emi, T.V. executive and Gabriel's girlfriend, along with Buzzworm, his connection to the streets, get caught in the middle of this mounting wildfire just as the cast of characters - diverse as the city itself - assembles for the final event. Tropic of Orange is an apocalypse of race, class, and culture, fanned by the media under the harsh L.A. sun.

"Is This Pet Right For Me and My Family?..." "Selecting A Breeder..." "Diet and Health Care..." and much much more. Over 15 beautiful photographs included.

[Digging Up the Past, Randall K. Meyer](#) , 1994, 0964198401, 9780964198401. Only three days after receiving the unpublished SCREENBOOK (tm) by Mr. Meyer, Columbia Pictures Inc., & Penny Marshall optioned DIGGING UP THE PAST & also hired Mr. Meyer to write the upcoming major motion picture based on his SCREENBOOK (tm). The Federal Trademark Office defined Mr. Meyer's literary invention as "a series of fictional books which appear in the form of a script." A SCREENBOOK (tm) is the hybrid of a novel & a feature film's screenplay. It combines detailed descriptive passages of literature with the abbreviated direction of a motion picture's screenplay. The unique form of a SCREENBOOK (tm) allows all the action of the story to take place within a rectangular frame of a movie camera. Characters move in & out of frame just as in a movie &, subsequently, the images created in the reader's mind will seem as though they are images on a theater screen. (But what about the story?!) DIGGING UP THE PAST is the story of a young man who does the ONE thing he SWORE he would NEVER do...Alan Kuhr IV moves back to his hometown & becomes the next owner of his family's century- old & rapidly declining clothing store. The universal appeal of DIGGING UP PAST LIVES lies in Mr. Meyer's ability to capture the truly undiscovered essence of life in the contemporary South & the moral responsibilities we have to our extended family members as well as ourselves. Columbia Pictures has allowed only 2000 copies of DIGGING UP THE PAST to the public (to preserve the secrecy of the story's ending) in this signed, limited-edition coffee table book, complete with 25 8" x 11" artistic photographs evoking scenes from the story. ORDER NOW from NAP Incorporated, 649 Old Cloverdale Rd., Montgomery, AL 36106 or FAX 205-832-4868. Mr. Meyer's first SCREENBOOK (tm) is now a part of

publishing history!

[The Naked Island, Russell Braddon](#) , 2005, 1843410206, 9781843410201. In 1941, together with thousands of other young Australian soldiers, Russell Braddon was sent to Malaya, where Allied forces were attempting to halt the territorial expansion of the Japanese. Their efforts were in vain and after the fall of Singapore Braddon spent almost four years as a prisoner of war. Intelligent, resourceful and tough in body and spirit, he was determined to surmount his ordeal. While tens of thousands died as a result of unimaginable deprivation and brutal treatment, Braddon survived, finally emerging from the notorious Changi prison on swollen legs and ulcerated feet. This memoir of his experiences portrays battle and prison life as experienced in the ranks. It is a tale of heroism, horror, squalor, starvation and disease endured with fortitude, ironic humour and extraordinary ingenuity.

[Oxford Reading Tree: Decode and Develop More A Stage 5: In The Dark, Roderick Hunt, Paul Shipton](#) , 2013, 0198390572, 9780198390572. Biff, Chip and Kipper Stories: Decode and Develop More A are exciting new titles in the Oxford Reading Tree series. The stories continue to provide storylines full of humour and drama, with familiar settings and all your favourite characters with some new friends for Biff, Chip and Kipper. They also support children's transition from fully decodable readers, such as Floppy's Phonics, to a richer, wider reading experience with high-interest vocabulary. The inside cover notes provide advice to help adults read and explore the story with the child, supporting their decoding and language comprehension development. Accompanying free Group/Guided Reading notes are available online at www.oxfordprimary.co.uk. Each story has individual notes listing high frequency tricky words and advice on phonics, and suggested activities for Group/Guided Reading, Independent Reading, Writing and Speaking, listening and drama. Parents can also visit www.oxfordowl.co.uk for practical advice, helpful information about phonics, lots of fun activities and free eBooks. Each Mixed Pack includes one of each of the Stage 5 titles. The Class Pack includes six of each of the Stage 5 titles.

[Governmentality: Power and Rule in Modern Society, Mitchell Dean](#) , 2010, 1847873839, 9781847873835. Originally published in 1999 this exceptionally clear and lucid book quickly became the standard overview of what are now called governmentality studies . In this timely Second Edition, Mitchell Dean engages with the full textual basis of Foucault s lecturers and once again provides invaluable insights into the traditions, methods, and theories of political power identifying the authoritarian as well as liberal sides of governmentality.

[The Journey to the East: A Novel, Hermann Hesse](#) , 2013, 1466835095, 9781466835092. In simple, mesmerizing prose,

Hermann Hesse tells of a journey both geographic and spiritual. H.H., a German choirmaster, is invited on an expedition with the League, a secret society whose members include Paul Klee, Mozart, and Albertus Magnus. The participants traverse both space and time, encountering Noah's Ark in Zurich and Don Quixote at Bremgarten. The pilgrims' ultimate destination is the East, the Home of the Light, where they expect to find spiritual renewal. Yet the harmony that ruled at the outset of the trip soon degenerates into open conflict. Each traveler finds the rest of the group intolerable and heads off in his own direction, with H.H. bitterly blaming the others for the failure of the journey. It is only long after the trip, while poring over records in the League archives, that H.H. discovers his own role in the dissolution of the group, and the ominous significance of the journey itself.

[Words in the Dust, Trent Reedy](#) , 2011, 0545261252, 9780545261258. Zulaikha hopes. She hopes for peace, now that the Taliban have been driven from Afghanistan; a good relationship with her difficult stepmother; and one day even to go to school, or to have her cleft palate fixed. In the meantime, with the support of her father and sister, Zulaikha knows all will be provided for her--"Inshallah," God willing. Then she meets Meena, who offers to teach her Afghan poetry, and the Americans come to their village, promising not just new opportunities and dangers, but surgery to fix her face. These changes could mean a whole new life for Zulaikha--but can she dare to hope they'll come true? Inspired by a girl whom the author met in Afghanistan, this is not only a fascinating portrait of life in a country we Americans hear about, yet

rarely see from inside, but a wonderful middle-grade story of choices, changes, chances, and discoveries.

[Angels, Devas and Orbs, Joseph Martin](#) , 2009, 0955857317, 9780955857317. Angels, Devas and Orbs is the third in a trilogy of books by Joseph Martin relating to the theme of nature spirits. It touches upon many of the author's personal spiritual encounters, including those of a Heavenly origin, as well as many from the world of Nature itself. The book explores in detail how nature spirit entities such as elves, fairies and orbs interact with human beings on an earthly level, and also with spirit souls in the Spirit World (or Heaven). The book provides many fascinating insights into the spiritual realms and offers a detailed discussion of many of the themes relating to this increasingly popular topic in current spiritual writing. The unique quality of Joseph Martin's observations and theories stem very much from the fact that they arise from his own personal encounters with many of the spirits of nature, and from his experiences of the many other spiritual realms of existence.

[Dreams and Thunder: Stories, Poems, and the Sun Dance Opera, Zitkala-Sa](#) , 2005, 0803299192, 9780803299191.

Zitkala-Sa (Red Bird) (1876-1938), also known as Gertrude Simmons Bonnin, was one of the best-known and most influential Native Americans of the twentieth century. Born on the Yankton Sioux Reservation, she remained true to her indigenous heritage as a student at the Boston Conservatory and a teacher at the Carlisle Indian School, as an activist in turn attacking the Carlisle School, as an artist celebrating Native stories and myths, and as an active member of the Society of American Indians in Washington DC. All these currents of Zitkala-Sa's rich life come together in this book, which presents her previously unpublished stories, rare poems, and the libretto of The Sun Dance Opera.

[Spirituals for choirs: 20 specially commissioned choral arrangements, Bob Chilcott](#) , 2001, 0193435373, 9780193435377.

An exciting collection of twenty new spiritual arrangements for SATB choirs, specially commissioned for this volume, compiled and edited by Bob Chilcott. Taking a fresh look at these timeless songs, including both familiar favorites and less well-known gems, the ten arrangers bring to these pieces the fruits of their diverse musical backgrounds and experiences. The arrangements feature a wide range of styles, from introspective to ecstatic, with a mixture of large- and small-scale pieces, both unaccompanied and accompanied. Spirituals for Choirs provides singers with an inspirational, moving, and above all, enjoyable repertoire. Arrangers: Lydia Adams, Steve Barnett, David Blackwell, Bob Chilcott, Peter

Louis van Dijk, Paul Hart, Andrew Pryce-Jackman, Joseph Jennings, John Washburn, Roderick Williams
