

# BRIDGES 2022

BUILDING RELATIONSHIPS FOR AN INCLUSIVE  
AND DIVERSE GROUP OF EMERGING STUDENTS

**BRIDGES 2022** aims to bring together a diverse group of advanced undergraduates and early-career graduate students with the goal of building community and giving them a broad introduction to various areas of pure mathematics. Interested students are encouraged to apply for funding through the website below by February 21, 2022. Registration will remain open through May 1, 2022.

## SPEAKERS

**Angela Gibney**
