

We Invite You to Join Our Research Study!

A Focus Group of Outdoor Activity Professionals Will Meet to Develop A Program Involving Nature Activities to Support Brain Health and Function.

You may be able to join the study if you:

- 18 years or older
- Work for an outdoor activity organization or provide nature activities in the community

Time Commitment: 2 hours

- Intake questionnaire
- 60-90 minute focus group

Taking part in the study is up to you. If you join, you can leave the study at any time. Participants will receive a gift card for completing the focus group.
