

COMMUNITY MEETING

Metal Shredders!

Heliports!

Polluted soils!

OH MY!

Pilsen is under a toxic assault

Come to a community meeting to discuss...

- Plans to build a metal shredder across from Juarez High School
- The two heliports planned for both the Northwest and Southeast corners of our neighborhood.
- The continued fight to clean up polluted soils throughout the community.

We want to know what you think

The meeting will be in English and Spanish

Saturday, April 5th at 2:30pm

Rudy Lozano Library - 1805 S. Loomis St.
