

Come to our
Public Forum On Polluted Soil In Pilsen

Is your health at risk?

Soil in Pilsen is highly contaminated with lead.

Come to our public forum to...

- Hear the results of the soil testing in the community by the EPA and Rudy Lozano students
- Bring your own soil to be tested (FREE TESTING!)
- Learn how to protect your self from polluted soil
- Join us to demand safer, cleaner soil in Pilsen

Agua Fresca and Snacks provided!

Saturday June 21st

12pm to 2pm

Rudy Lozano School - 2570 Blue Island
