

Archaeology Consultant Position Sydney

ECO LOGICAL AUSTRALIA PTY LTD is one of Australia's leading environmental assessment, planning and management consultancies.

As part of our Company's continued and sustained growth we have an exciting opportunity for an Archaeology Consultant to join our expanding Cultural Heritage team. The role involves building and nurturing relationships internally and with current and prospective clients, contributing to a range of projects and supporting the delivering of high quality, technically accurate proposals and reports to our clients.

To be considered for this role you will have:

- An honours degree or higher in archaeology.
- Experience in archaeological survey, field assessment and excavation.
- Previous consulting experience in Australia with experience in NSW highly regarded.
- Experience in the preparation of archaeological assessment reports and heritage assessment reports.
- Practical, working knowledge and understanding of NSW and Commonwealth legislation in Aboriginal and historic heritage.
- Strong written and verbal communication skills.
- Demonstrated experience in working with Aboriginal and Torres Strait Islander peoples including community consultation.
- Ability to work in a team environment, build and nurture client relationships, contribute to simultaneous projects and meet deadlines.
- Willingness and ability to travel and work in remote locations as and when required.
- A RISI (Rail safety) card would be highly desirable for this position.
- A current driver's licence is required for this position.

If you are an Australian resident, are seeking a friendly and professional organisation where workplace culture is highly valued, where your skills are appreciated and rewarded, and in a progressive and dynamic company with a focus on employee enrichment, wellbeing and development, then please forward your application to Sue Nichols, Human Resources Manager, via email suen@ecoaus.com.au before 5pm 9 September 2016.

Initial enquires may be directed to Principal Archaeologist Lyndon Patterson on 02 8536 8650.

For further information, please view the position description on our website www.ecoaus.com.au/jobs.
