

AUSTRALIAN ASSOCIATION OF CONSULTING ARCHAEOLOGISTS INC

The Identification of Human Skeletal Remains in an Australian Archaeology Context Workshop

The workshop 'The Identification of human skeletal remains in an Australian archaeology context' is organised by the NSW/ACT Chapter of the Australian Association of Consulting Archaeologists (AACAI). The one day workshop will be presented by Dr Denise Donlon, Dr Sarah Croker and tutor Jennifer Menzies at the Shellshear Museum of Physical Anthropology and Comparative Anatomy at the University of Sydney.

The one day course is designed to equip professional and consulting archaeologists with skills in identifying human skeletal remains and the identification of non-human bones. Participants will have hands on practical experience with skeletal remains along with supporting notes and theory. Topics covered will include 1) The identification of human skeletal remains. 2) Distinguishing between Aboriginal and non-Aboriginal skeletal remains. 3) The identification of non-human bones. A programme for the workshop will be available before the event.

Morning tea, lunch and afternoon tea is included.

Date: Friday October 7 October 2016

Venue: Shellshear Museum
Anderson Stuart Building - F13
Eastern Avenue
The University of Sydney
Camperdown, NSW 2006
