Who are the Knights of Columbus? We are an international Catholic organization with charity as our first principle. We are men of faith and men of action. Last year alone, in addition to raising and donating more than **\$154 million to charitable needs and projects**, Knights volunteered more than **70 million hours** of time to charitable causes. We undertake these acts of charity because we see those in need through the eyes of faith. Moreover, in the Knights of Columbus, we approach these acts of charity together. Our charitable activities encompass an almost infinite variety of local, national and international projects. From international charitable partnerships with **Special Olympics**, the **American Wheelchair Mission** to our own **Food for Families** and **Coats for Kids** projects and **other purely local charities**, the opportunity to work together with fellow Knights and their families is virtually endless.
