

# Saint Joseph Rosary Rally for the Defense of Traditional Marriage

Are you concerned about the redefinition of marriage? Does government have the authority to redefine marriage? Do you know what is the impact of legalizing same sex "marriage"?

Traditional marriage as we know it will cease to exist if we do not stand up to defend it. With the loss of the marriage institution, the destruction of the family will quickly follow. Did you know that 18 states in our nation have approved homosexual "unions"? The courts and elected officials are fighting against the will of the people in many instances, a battle which is definitely leaning against the natural laws set out by God in the soul of all mankind.

What should we do to stop the destruction of marriage and the family before it takes place?

Stand up and protect what we cherish.

Come join your fellow parishioners to pray the rosary for the defense of marriage as the union of one man and one woman.
