

GS Engineering & Construction

Invitation for Design Engineering Professionals in the Hydrocarbon sector...

GS Engineering & Construction India Pvt. Ltd is a fully owned subsidiary of GS E&C Corporation (formerly LG E&C), South Korea. At present, the Plant Division of GS E&C Corporation is executing many projects globally to the tune of over 8.3 billion USD. GS E&C India Pvt. Ltd is carrying out detailed engineering of the Ruwais Refinery Expansion Project (RRE), Ruwais 4th NGL Train Project, Egypt Refinery Project, etc. on work share basis with its home office. For the execution of these jobs, GS E&C India urgently require Design Engineering Professionals and invite applications from suitable candidates as per the following details:

DISCIPLINE	POSITIONS	DESIRED PROFILE
<ul style="list-style-type: none"> Process Instrumentation Piping (For Stress, Layout and Materials) Mechanical (For Static and Rotating) Electrical Civil / Architectural / Structural (CAS) 	Engineering <ul style="list-style-type: none"> Principal Engineers Senior Engineers Engineers 3D Administrators 	<ul style="list-style-type: none"> BE / B.Tech in relevant Engineering with 3-25 years Design and Detailed engineering experience in the hydrocarbon sector. Piping – Stress analysis, candidates with higher qualifications shall be preferred. They shall be conversant in local & membrane stress analysis for the composition and non metallic material, flow dynamic & heat transfer analysis and Computational flow dynamics (CFD).
	Design / Modeling <ul style="list-style-type: none"> Design Supervisors Designers Drafters 	<ul style="list-style-type: none"> Diploma / ITI with 3-25 years in Drafting and Designing. Candidates with modeling skills shall be preferred.
<ul style="list-style-type: none"> Engineering Coordination 	<ul style="list-style-type: none"> Principal Engineers Senior Engineers 	<ul style="list-style-type: none"> B.E / B.Tech with 7-20 years experience in Engineering Coordination, Management of Budget, Schedules, Procedures, Standards etc.
<ul style="list-style-type: none"> Planning & Scheduling 	<ul style="list-style-type: none"> Principal Engineers Senior Engineers 	<ul style="list-style-type: none"> B.E / B.Tech with 7-20 years relevant experience from Design Engineering office and conversant in Primavera / MS Project and MS Office.
<ul style="list-style-type: none"> Document Control 	<ul style="list-style-type: none"> Senior Officers Officers 	<ul style="list-style-type: none"> Graduates with 3-10 years document handling experience and conversant in MS Office and Document control software.

- All positions are based in our Gurgaon office and at the project office in Saudi Arabia.
- Selected candidates will be placed suitably in the organization based on their exp. and merit.
- Short-listed candidates will be interviewed soon at relevant locations across India.
- Company offers excellent compensation, Global opportunities and career advancement.

Interested candidates may forward their detailed CV (in word document) within 7 days mentioning the "Discipline & Position" in the subject line indicating their contact telephone number, present and expected CTC. E-mail : jobs@gsconst.co.kr or arun.kumar@gsconst.co.kr, Courier : GS E&C India Pvt. Ltd, 2nd Floor, Masterpiece Building, DLF Golf Course Road, Sector – 54, Gurgaon, Haryana State.
