STATE HOUSE ACTION WORKING GROUP

Be a part of the NEW PMA SHAWG (State House Action Working Group)

The PMA State House Action Working Group (SHAWG) meets monthly in the MA State House to advocate and promote PMA's mission and to support companion legislation, such as S_53 and H_933. All are welcome to join this newly forming WG, meet with legislators, call and write in support of our mission - to get the corrupting influence of BIG \$\$\$ out of our political process!

Wear your PMA-TEE and **Show your Support** at the next scheduled State Constitutional Convention*

Wednesday, May 18th at 1 pm, Re-convening of the State Constitutional Convention (Part V)

Gather at 12:45 pm - House Gallery (4th Fl.) of the State House

- *better known as the "ConCon" - in which proposed Amendments to the State Constitution are brought to the House Floor for consideration.

S_53 <<https://malegislature.gov/Bills/189/Senate/S53>> or

H_933 <<https://malegislature.gov/Bills/189/House/H933>>

Both bills are on the calendar; however the Fair Share Amendment may dominate the Joint Session, leaving no time for the PMA endorsed bills to be taken up at this ConCon, but your presence is valuable, none-the-less. If debate does not result in a vote, we anticipate that the ConCon will convene one last time, to conclude the business on the calendar - see link for ConCon - Event + Agenda Posted here:
