

5 small ideas

None of these were big enough
for their own lightning talk.

**Smaller cameras,
smaller balloons & kites**

Pros

fits in car, subway, on bike

helium costs less

*mylar stays inflated
>1 week*

*balloons cost \$5
instead of \$20*

auto-triggering

Cons

camera may cost more

doesn't lift as much

*pocket kites less stable
without a tail*
