

Comparative Results of Hypermind vs Models Predicting 2014 U.S. Midterm Elections

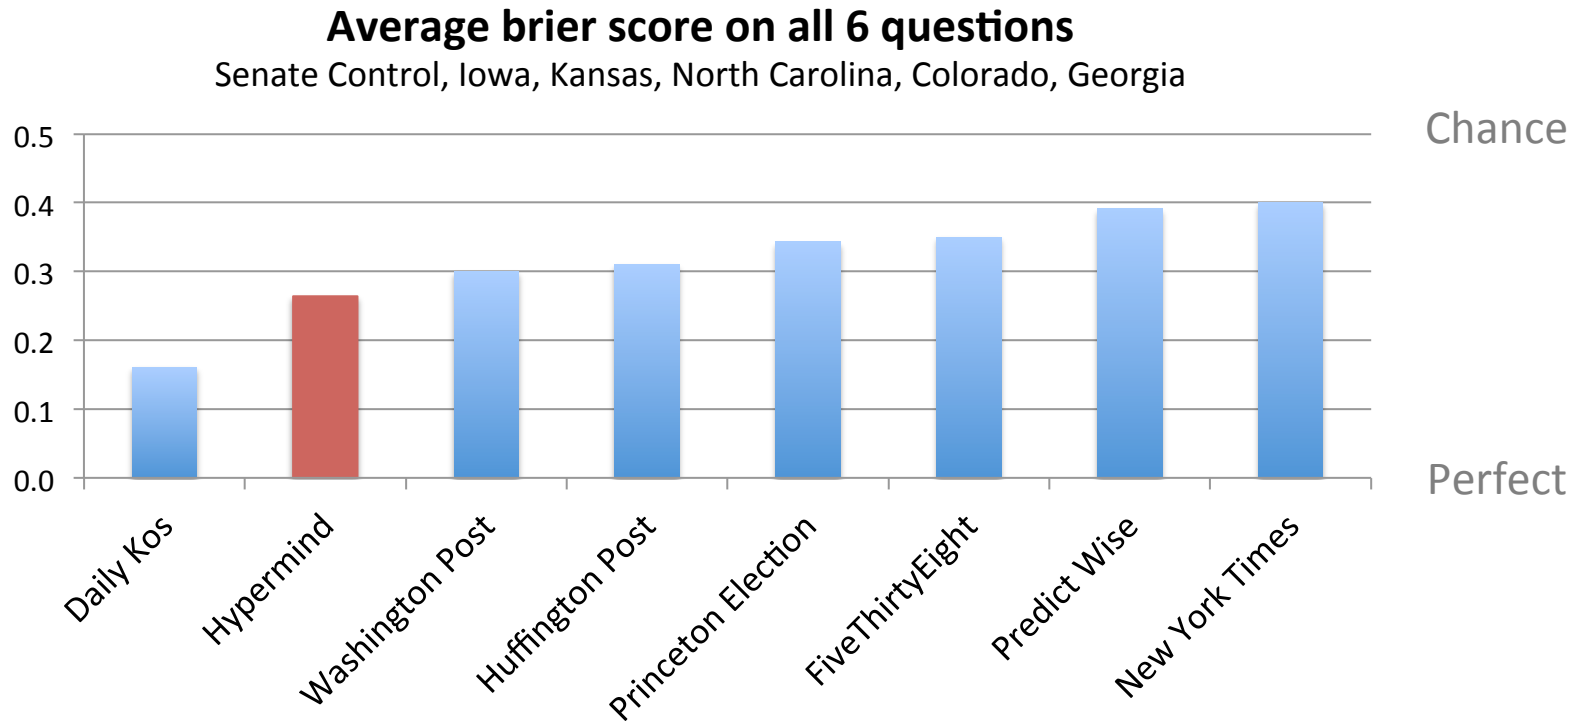

November 7, 2014
Emile Servan-Schreiber

6 Senate-related midterms questions were run on Hypermind.com

- Senate Control (starting May 17)
- Iowa race (starting Oct 9)
- Kansas race (starting Oct 9)
- North Carolina race (starting Oct 9)
- Colorado race (starting Oct 9)
- Georgia race (starting Oct 20)

The 5 individual races above were chosen because they were the most “undecided” according to all the models / pundits

Brier-score comparisons of ultimate* predictions for Senate
