**Student's Letter (Excerpt)** hi , firt of all, I like to say thank you for this opportunity of living with you, my exchange year will be very important to me, bacause is more than increase my skills in english , I look forward to know the culture , your way of life, an american high school, other kind of life, so let`s start .

My name is juan pablo , but you can call me juan or pablo jajaja i dont care, i`m 17 years old , I live in a urban city named ----- , it is 5 hours away from mexico city. I live with my partents, my mom ---- and my that ---- they are 47 years old they are very funny and they love me. I have 2 brothers 14 year old 20 years old. I would like to have "host brothers" specially if they are teenager but I dont care if my family have kids because i also like kids. i like pets i have one dog. I am very extroverted and friendly person , i like do make new friends and met new people . I dont have problems to adapt myself with other enviroments because i had an experience like that in brazil , i live there for 8 months it was a nice experience i speak portuguese and with that experience a learned who to adapt myself with other cultures, famlies, food, enviroments and those types of things ., there are some activities that i realy like to do, i like to do sports, travel and meet new places ,listen music ,reading, take pictures ,go camping, watch tv (sport progams, comedy programs ,series , movies) i like to spend time whit friends and family , i think that i`m funny when i am with person who i like .

I go to high school from monday to friday, from 7.00 am to 2:25 pm i like to study and to go to the school i think it is a good way to make friends , i have good grades.

i cant wait for taking this experience , this year in the USA is going to be one of the best years in my life. thank you very much for having read my letter.
