

JOIN OUR HIVE!

SAY Sí is recruiting high school students on August 17-29 for a new **FREE** game-design program

HIVE Students will discover what games are and what they can be, tell stories through systems and explore new frontiers of communication and video ecology.

REQUIREMENTS:

- A commitment to learning to code
- Parent/guardian permission
- Reliable transportation
- A minimum C average in school
- The ability to complete projects in a timely manner
- A long-term committment to attending 10 hours per week (after school & weekend)

To join, schedule an interview on **August 17-29** by calling 210.212.8666.

Visit saysi.org for full recruitment details.
