### Mokshavimshaka Stotram – Harivamsha Puranam

The following is a rare hymn on **Lord Ananta (Vishnu)** by **King Bali** as told by **Sage Narada** taken from **Harivamsha Puranam (Last Canto of Mahabharata)**, **Bhavisya Parva** and **Chapter 72**. This hymn was given by **Sage Narada** to **King Bali** when he was sent to nether-world by **Lord Vamana** to get emancipation from bondage. The brief **Phalashruti** by **Sage Vaishampayana** declares that one who recites this hymn gets absolved of all sins including the killing of cows and brahmins and begets all wishes fulfilled such as progeny, spouse, emancipation, relief from labor pain during child birth, etc.
