WE'LL EGG YOU ON!

Slow Food Spokane River will be pecking around the South Hill this year for our 4th Annual Urban Chicken Coop Tour. We'll scratch around at 3-4 backyard coops of different sizes and styles to help you hatch ideas for designing a coop of your own!

Once again, you can complete the tour via foot, bicycle or carpool.

After the tour, gather back together for prizes, egg eats and to get to know fellow egg-ceptional chicken lovers!
