

Join us for the 16th annual

Shelton Clean Sweep 2023

April 15- April 23
An Earth Day event

Civic groups, businesses, and individuals: Organize your group or neighborhood and clean up litter in a public area. The place, date and time is at your discretion. Free bags and gloves are available at City Hall or Huntington Community Center along with iron-on patches while supplies last to all participants.

For more information or to register, please visit

www.DontTrashShelton.org

With your help we CAN make a difference.

Sponsored by the Shelton Anti-Litter Committee. Our mission is to create awareness of the litter problem in Shelton... clean up our streets, public recreation areas, waterways, hiking trails and school grounds.
