PART SUPPLY OF SHOGI EQUIPMENT

To assist those who might wish to make their own boards or pieces, all the Shogi variants can be part-supplied. Please ask for a quote if you would like to purchase any board or pieces set separately.

This also affords the possibility, should you already own, for example, a CS3 Middle Shogi set, to purchase just 38 extra pieces and a Dai Shogi board, to enable you to have a complete Dai Shogi set at a considerable saving on the full set costs. This system can also be employed for most of the other variants. Details and prices, together with complete listings of the pieces required, to make up a set available on request.

Shogi Association yellowish wood-effect pieces are available at £1.00 each for blank and at £2.00 each for stamped in the normal way to your order. Specially stamped pieces, i.e. non-standard pieces (for games inventors etc.) if possible are £5.00 each. You may order any number of pieces in any of the six sizes (King, Rook, Gold, Knight, Lance and Pawn) at a pro-rata rate.
