

THE BOARD OF INNOVYZ INVITES YOU

**To an exclusive showcase of the latest innovations in the
Waste and Recycling Industry.**

Not all companies are created equal. The Innovyz process is unique and in a very short period of time has helped to establish and grow companies based on innovations that are relevant to many people and hence, to large markets.

Join us as we showcase Innovyz and the companies we assisted in our Waste and Recycling Commercialisation Program.

1:00pm, Tuesday 27 March 2018
Registrations from 12:45pm

ASX Auditorium
18 Bridge Steet,
