

Montavilla Neighborhood Association

invites you to a special event:

## What's Your Home Energy IQ?

WHAT'S YOUR HOME ENERGY IQ? is a two-hour workshop for renters/homeowners featuring practical strategies to cut energy use. Energy savings bring multiple benefits to you and your community, including:

- Lower natural gas and electricity bills / Improved home comfort
- Reduces your household carbon footprint
- Rebates, tax credits and home loans

Participating households receive a **FREE** Energy Toolkit to get started, including:

- "Cut Your Energy Bills Now" a step-by-step guide for energy home savings
- Energy saving fluorescent light bulb
- Thermometer to check and adjust temperatures
- Water-saving device

Get answers to your energy questions and join us on:

**Date: Saturday Oct.16<sup>th</sup>, 2010**

**Time: 3:00-5:00pm**

**Location: Montavilla United Methodist Church**

**232 SE80<sup>th</sup> Ave - Btwn SE Ash + SE Pine**

**Local contact/RSVP: [Montavilla.Sustainability@gmail.com](mailto:Montavilla.Sustainability@gmail.com)**

This neighborhood event is presented by the City of Portland Bureau of Planning and Sustainability (BPS), a city department committed to helping the community learn how to become more energy-efficient in their homes and daily life—and in turn, helping reduce our impacts on the natural environment. Funding for this workshop is provided by a grant from the American Recovery and Reinvestment Act and the US Department of Energy.
