There is no charge for admissions as we want all community members to have the ability to attend. We hope to provide attendees with an opportunity to join the event, learn about aging, and support Grace Center by donating if they wish to. Therefore, this event is primarily for education, outreach, and community benefit. This year's talks will be about *Age and Ability - Don't fear the Curbs, Dementia & Alzheimer's - Bring Your Questions*, and a short presentation on upcoming vaccinations and flu shots.
