HOME RETROFIT CLINIC

Nancy Evenson, a retired architect, is offering free home retrofit clinics to help people move along the path toward increased energy efficiency. During a personalized 2-hour session, Nancy will analyze your home's current use of energy and help you identify the most important upgrades and the incentives that help you get there. To learn more about the retrofit clinics, email retrofit@evensonarchitecture.com or visit sustainablecorvallis.org/action-teams/housing/retrofit/
