To: Local Media Representatives

From: KUB Communications

Re: Traffic Advisory – Lane Closures for Utility Work [All closures and work are weather permitting]

**(South Knox) Chapman Highway Lane Closures [October 25 – November 16]** – KUB contractor crews will implement north- and southbound curbside lane and shoulder closures on the section of Chapman Highway between E Blount Avenue and E Young High Pike weekdays from 9 a.m. – 3 p.m., starting Tuesday, October 25, through Wednesday, November 16, as work is performed on the electric distribution system in the area. Inside north- and southbound lanes will remain open to traffic flow. Lane/shoulder closures will be limited to the immediate area where crews are working. Crews will not work on both sides of the road at the same time. Flaggers, channeling devices, and signage will be on site to assist with traffic control.

Tennessee's **Move Over Law** requires motorists approaching a utility vehicle with flashing lights to move over if safe to do so, creating an empty lane buffer. When changing lanes is not possible, motorists must reduce speed.

*KUB is a municipal utility serving Knox and parts of seven adjacent counties and provides electric, natural gas, water, and wastewater services to more than 473,000 customers.*
