Daily Schedule

Friday, July 28th - 3pm to 12am
The first day of the event will be setup followed by an all night social gathering! Bring your PJ's and your best gaming software!

Saturday, July 29th - 8am to 12am
This is the big day! More setup time until the first presentation at 10am. Presentations and guest speakers will occur until 5pm, where we will break for a group dinner. After dinner it's more late night activities until you can't keep your eyes open anymore!

Sunday, July 30th - 8am to 4:30pm
Sadly, all great things must come to an end (until next year!) We will get an early start to our day and have a few more presentations along with a group discussion about CRX 2018.
