

Structural Modeling Video Conference
May 7th, 2016 – 8 AM Pacific Time

Introductions.

Discuss the current state of system development.

Discuss and identify new system features.

Planning for future collaborative activities.

Note:

The Google Hangout will be started at 7:30 AM Pacific Time and I will send out the first round of invitations at that time. A second round of invitations will be sent out at 7:55 AM for those who have not signed in yet.
