This Quote constitutes an offer to provide products and/or services ("Products") on the terms and conditions set forth herein. Your acceptance of this Quote is expressly limited to the terms set forth herein and any alterations to this Quote made by you will be of no effect. You may accept this Quote by issuing a purchase order that commits your organization to the amounts, Products and term length (if applicable) set forth in this Quote or by signing this Quote in the space below and returning it to Pure Storage before the close of business on the Expiration Date set forth above. The purchase order shall also include the applicable Ship To address. The Pure Storage entity appearing on the invoice and authorized to sell the Products to you will be determined based on the Ship To Address identified in the applicable purchase order. Pricing does not include sales, use, value-added taxes, or shipping costs, unless otherwise agreed in the applicable agreement executed by the authorized parties for you and Pure Storage. You may cancel a purchase order by issuing written notice to Pure Storage, provided notice is received prior to shipment of the Products. By accepting this Quote and purchasing the Product, you acknowledge that the End User of the Products agrees to be bound by the terms and conditions of the Pure Storage End User Agreement, which may be found here: http://www.purestorage.com/agreements/Pure_enduser_agreement.pdf (or other agreement for the subject matter executed between Pure Storage and the End User), except to the extent the Products are third party Products. End User's use of third party Products will subject to such third party's applicable end user terms. By accepting this Quote and purchasing the Product, you confirm that your purchase is based only on currently available Products, features and functionality, and that you have not relied on the future availability or announcements of unreleased products, features, and/or functions in your purchasing decision. To ensure timely fulfillment when Product availability is limited, Pure Storage reserves the right to fulfill an order with higher performing and/or higher capacity equipment at no additional charge to the authorized reseller or the End User for such increased performance or capacity. Determination of whether to fulfill an order with higher performing and/or higher capacity equipment is at Pure Storage's sole discretion. Unless otherwise identified in this

Quote, an Evergreen Subscription commences upon shipment of the Product (and for Evergreen Subscription renewals, upon receipt of the Purchase Order.)
