

U OF T LIBRARIANS + STAFF WE NEED YOUR HELP

to ask U of T to divest from fossil fuels!

A **CARBON BUDGET** is the **MAX CO₂** that can be emitted without triggering runaway climate change, but fossil fuel companies want to burn over **5x** that amount

U of T has **MILLIONS** invested in the fossil fuel industry

**BUT INVESTING IN FOSSIL FUELS
IS BETTING AGAINST OUR FUTURE**

Please join alumni like David Miller and Naomi Klein, along with over **1,000** students, staff & faculty, and
