 - Pedestrian Design Guide

6:45-7:15: PedPDX Citywide Pedestrian Plan; Michelle Marx, PBOT Pedestrian Coordinator

Michelle will provide an overview of the in-progress PedPDX Citywide Pedestrian Plan, including the PAC's role with this effort moving forward. We will also discuss nominating a new PAC representative to sit on PedPDX Community Advisory Group.

7:15-8:00: 82nd Avenue of Roses Implementation Plan

April Bertelsen, PBOT Sr. Transportation Planner; Radcliffe Dacanay, Bureau of Planning and Sustainability; Terra Lingley, Oregon Dept. of Transportation

PBOT and BPS staff will provide some introductory context about 82nd Avenue in the context of City policy, and then Terra Lingley, project manager with the Oregon Department of Transportation, will discuss ODOT's transportation planning effort that is creating a list of 1-10 year, feasible projects to improve safety, mobility, and access for people using 82nd Avenue between NE Killingsworth Street and SE Johnson Creek Boulevard, including pedestrian crossings and more. Preview recent materials shared with the public, including draft recommendations here: [Open-House-Materials-Feedback-17PF120.pdf](#)

City staff will then share City-led efforts along 82nd Ave, including transportation related findings from the 82nd Ave Understanding Barriers to Development Study currently underway. See <https://www.portlandoregon.gov/bps/72125> for additional project information.
