About the Film:

Tired of the doom-and-gloom news about climate change? 'carbon nation' is an inspirational, optimistic, solutions-based, non-preachy, non-partisan, big tent film that shows tackling climate change boosts the economy, increases national & energy security and promotes health & a clean environment.

Narrated by Bill Kurtis, the cast includes: Richard Branson (CEO, Virgin Group), Thomas L. Friedman (The New York Times), Former CIA Director James Woolsey, Van Jones (Founder, Green For All), Col. Dan Nolan, U.S. Army (Ret), Bernie Karl (Geothermal pioneer from Alaska), Denis Hayes (Founder of Earth Day), Cliff Etheredge

JOIN US! IT WILL BE A FUN, UPLIFTING AND INTERESTING NIGHT!

The screening will be accompanied by guest speakers Leif Forer, co-founder of Piedmont Biofuels, Dennis Markatos-Soriano, Executive Director East Coast Greenway Alliance, and Jane Norton, Chief Visionary Officer, ReSourcing Natural Solutions & Eartheal. We will have a mini-energy efficiency fair featuring the Chapel Hill WISE program and local providers of energy services so that viewers inspired by the movie can take immediate action right there and then.

LET'S GET INSPIRED!!!
