Students and Early Career Professionals

83rd Midwest Fish & Wildlife Conference

American Fisheries Society, North Central Division

The Wildlife Society, North Central Section

Greetings!

With support from the Midwest Association of Fish and Wildlife Agencies, American Fisheries Society, North Central Division and The Wildlife Society, North Central Section invite applications for travel grants to attend the 2023 Midwest Fish and Wildlife Conference, to be held February 12-15, 2023 in Overland Park, Kansas. Each organization has funding available to cover up to \$400 for conference registration and travel for students and early career professionals.

Students and early career professionals (≤ 5 years of service) from states in the North Central Section or states/provinces/territories in the North Central Division, and who hold state, regional, or national society membership, are eligible. For the American Fisheries Society, depending on the number of applications, preference may be given to individuals with national society membership.

Applications for both fisheries and wildlife students and professionals can be completed online at:

<https://forms.gle/aQMXAebH8wCu95RF8>

The deadline for submitting these applications is DECEMBER 10, 2022

Please provide a statement (150-250 words) that addresses your: 1) financial need, 2) conference participation plan (e.g., workshop, presentation, meeting), 3) anticipated impact on future work within organization and professional society, and 4) intended plan to relay experience gained to others (e.g., post-conference presentation, newsletter article).
