19th November 2015

On 19th November 2015, FANSA Tamilnadu Chapter organized a School level Program to create awareness on Open defecation at Malliampatti Government High School in Nilakottai. The Event was organized and conducted by VAIGAI trust- lead partner and State Coordinator of Tamilnadu and CHILD VOICE, Nilakottai. 123 children participated in this event.

Chief Speaker of the program Mr. S. Annadurai shared with the children the vision of Indian Prime minister of a cleaner, Greener India. He added that inclusiveness of all communities, at all level is important for a sustained Swatch Barath Mission. Every person, every household and every community should have access to clean toilets and it is the responsibility of the children to demand for their rights. The toilets need to be accessible, for everyone including differently abled children and adults. Girl friendly toilets should be made mandatory for all schools and community toilets were some of the demands shared by the organizing team with the children.

Several issues were shared in the meeting, followed by a rally by the children flagged off by FANSA National Steering Committee Member Mr. Rajesh Mani

“Adolescent girls suffer the most without proper access to toilets. we sometimes have to forcefully control ourselves because otherwise we have to go to toilets in the open. This affects us both physically as well as psychologically ...”
