

# wedge community garden

## Interested in gardening?

The Wedge Community Garden has raised beds available for neighborhoods interested in gardening together. There is no cost to adopt a bed and the Wedge has plenty of tools and seeds available, as well as access to water. The garden is located at 214 Park Ave. If your neighborhood is interested in adopting one or more beds, please contact Tracy Weidert at [thewedgegarden@gmail.com](mailto:thewedgegarden@gmail.com)
