- **Inter-club Carnivals** NEW MEMBERS KEEP READING
Each season we participate in four carnivals with other local swim clubs. Wishart swimmers race in age groups against swimmers from other clubs. The dates for these carnivals are below. These are competitive but fun events with swimmers of all ability levels able to participate. Before each carnival we will ask whether your children are available to swim at the carnival. You must let us know if your child wants to participate. A team is then selected from available swimmers. We aim to give everyone a chance to swim but it is not always possible to include all available swimmers. We try our best to ensure participation in carnivals is evenly spread across club members.

Key dates:

- SEF Carnival Sat 29th Oct
- WIM Shield Sat 19th Nov
- B Grade Carnival Sat 11th Feb
- Ron Hall Shield Sat 4th Mar
- Club Champs Fri 17th & 24th Mar
- Club Breakup Sun 26th Mar
